## TRADEMARK ASSIGNMENT

This Trademark Assignment (“**Assignment**”) is made and entered into by and between the following parties:

Crescendo Bioscience, Inc., a Delaware corporation, having a business address of 400 East Jamie Court, Suite 100, South San Francisco, California, 94080 USA  
 (“**Assignor**”);

and

Laboratory Corporation of America Holdings, a Delaware Corporation having a business address of 531 South Spring Street, Burlington, North Carolina 27215 USA  
 (“**Assignee**”).

For good and valuable consideration, the receipt of which is hereby acknowledged, we, the undersigned Assignor, do hereby sell, assign, and transfer, and have sold, assigned and transferred to Assignee all right, title and interest in and to the trademarks and trademark registrations and registration applications therefor listed in Appendix A attached hereto (collectively, “**the Marks**”), together with the goodwill of the business symbolized thereby, all common law rights to the Marks, all rights of action accrued and to accrued under and by virtue thereof, including without limitation the right to sue and recover for past infringement of the Marks and collect the same for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives.

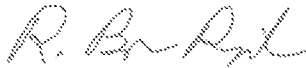

We, Assignor, further agree, for good and valuable consideration, the receipt of which is hereby acknowledged, to carry out in good faith the intent and purpose of this assignment, Assignor(s), or their executors or administrators, will, for the United States and any and all foreign countries, upon the reasonable request of Assignee or Assignee’s successors or assigns: (i) execute any and all documents related to any application for trademark in the United States or a foreign country, where such application relates to one or more of the Marks; (ii) execute any and all oaths, declarations, assignments, confirmatory assignments, powers of attorney and other papers concerning one or more of the Marks, whether in the United States or a foreign country; (iii) perform other such acts, at the request of Assignee or Assignee’s successors and assigns, to obtain or maintain any and all registrations or related property rights in the United States or any foreign country on one or more of the Marks and to vest title thereto in Assignee or Assignee’s successors and assigns; and (iv) allow, should circumstances require, Assignee or Assignee’s successors and assigns to execute any document under (i), (ii) and/or (iii) on my/our behalf.

This Assignment may be executed in one or more counterparts (including by email), each of which shall be deemed an original but all of which taken together shall constitute one and the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to each of the other persons party hereto.

In testimony whereof, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the date set forth below.
