RELEASE OF PATENT AND TRADEMARK SECURITY INTEREST

This RELEASE OF PATENT AND TRADEMARK SECURITY INTEREST ("**Release**") dated as of October 4, 2021 is made by DEUTSCHE BANK TRUST COMPANY AMERICAS (the "**Security Agent**"), as security agent for the Secured Parties, in favor of JOYSON SAFETY SYSTEMS ACQUISITION LLC, a Delaware limited liability company (the "**Grantor**"). All capitalized terms used, but not otherwise defined herein, shall have the respective meanings ascribed to them in the Master Security Agreement (as defined below) (whether defined therein or by reference to another agreement).

WHEREAS, pursuant to that certain security agreement dated as of April 10, 2018 (as amended, supplemented or otherwise modified from time to time) entered into between, among others, the Grantor and the Security Agent (the "**Master Security Agreement**"), the Grantor executed and delivered to the Security Agent (i) an Intellectual Property Security Agreement Supplement (Trademark Registrations and Trademark Applications) dated April 17, 2018 which was recorded with the PTO at Reel 6315, Frame 0301 on April 17, 2018 (as amended, supplemented or otherwise modified from time to time) (the "**Trademark Security Agreement Supplement**") and (ii) an Intellectual Property Security Agreement Supplement (Patents and Patent Applications) dated April 17, 2018 which was recorded with the PTO at Reel 045959, Frame 0305 on April 17, 2018 (as amended, supplemented or otherwise modified from time to time) (the "**Patent Security Agreement Supplement**"), and together with the Trademark Security Agreement Supplement the "**IP Security Agreement Supplements**", and, together with the Master Security Agreement, the "**Security Agreements**";

WHEREAS, pursuant to the Security Agreements, the Grantor pledged and granted to the Security Agent for the ratable benefit of the Secured Parties a security interest in and to all of the right, title and interest of the Grantor wherever located, whether now owned or hereafter acquired or arising, in, to and under:

(a)

(i) each Patent owned by the Grantor to the extent included in the Collateral, including, without limitation, each Patent registration and application referred to in Schedule 1 hereto; and

(ii) to the extent not covered by clause (i) above, all proceeds and products thereof,

being together the "**Patent Collateral**"; and

(b)

(i) each Trademark to the extent included in the Collateral owned by the Grantor, including, without limitation, each Trademark registration and application referred to in Schedule 2 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each such Trademark (which Trademark Collateral excludes, for clarity, any United States trademark or services application filed on the basis of the Grantor's intent to use such mark, in each case, unless and until evidence of the use of such trademark or service mark in interstate commerce is submitted to, and accepted by, the PTO to the extent that grant of a security interest therein would impair the validity or enforceability of such intent-to-use mark application); and

(ii) to the extent not covered by clause (i) above, all proceeds and products thereof,

being together the "**Trademark Collateral**", and together with the Patent Collateral, the "**IP Collateral**";

WHEREAS, the Grantor has requested that the Security Agent enter into this Release in order to effectuate, evidence and record the release and reassignment to the Grantor of any and all right, title and interest the Security Agent and the Secured Parties may have in the IP Collateral pursuant to the Security Agreements with effect from (and including) the Effective Date (as defined in the payoff letter dated on or about October 4, 2021 delivered by Deutsche Bank AG, Hong Kong Branch, as agent, DB Trustees (Hong Kong Limited), as global security agent, and Deutsche Bank AG, Hong Kong Branch, as new agent, and accepted by Joyson Auto Safety Holdings S.A., for itself and as the parent and obligors' agent).

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Security Agent hereby states as follows:

1. Release of Security Interest. Security Agent, on behalf of itself and the Secured Parties, their successors, legal representatives and assigns, with effect from (and including) the Effective Date, terminates the Security Agreements and terminates, releases and discharges any and all security interests that it has pursuant to the Security Agreements in the IP Collateral, and reassigns to the Grantor any and all right, title and interest that it may have, in, to and under the IP Collateral, in each case without recourse to the Security Agent and without representation or warranty of any kind.

2. Further Assurances. With effect from the Effective Date, the Security Agent agrees, at the Grantor's expense, to take all further actions, and provide to the Grantor and its legal representatives all such cooperation and assistance, including, without limitation, the execution and delivery of any and all further documents or other instruments, as the Grantor and its legal representatives may reasonably request in order to confirm, effectuate or record this Release.

3. Governing Law. This Release shall be governed by, and construed in accordance with, the laws of the State of New York.

4. Counterparts. This Release may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Security Agent has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
