TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of October 13, 2021, is made by DRYDENE PERFORMANCE PRODUCTS, LLC, a Pennsylvania limited liability company and PPC LUBRICANTS, LLC, a Pennsylvania limited liability company (each a “Grantor” and collectively, the “Grantors”), in favor of Golub Capital Markets LLC, as administrative agent (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”) for the Lenders and the L/C Issuers (as defined in the Credit Agreement referred to below) and the other Secured Parties.

WITNESSETH:

WHEREAS, pursuant to the Amended and Restated Credit Agreement, dated as of July 28, 2017 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among RelaDyne Inc., a Delaware corporation (the “Borrower”), REL Holding Corp., a Delaware corporation (“Holdings”), the other Credit Parties, the Lenders and the L/C Issuers from time to time party thereto, Golub Capital Markets LLC, as Administrative Agent and Revolver Agent for the Lenders, the Syndication Agent party thereto, the Co-Documentation Agents party thereto, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor (other than the Borrower and its predecessor in interest) has agreed, pursuant to a Guaranty and Security Agreement dated as of July 22, 2016 in favor of the Administrative Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Guaranty and Security Agreement”), to guarantee the Obligations (as defined in the Credit Agreement) of the Borrower and its predecessor in interest; and

WHEREAS, each Grantor is party to the Guaranty and Security Agreement pursuant to which such Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the L/C Issuers and the Administrative Agent to enter into the Credit Agreement and to induce the Lenders and the L/C Issuers to make their respective extensions of credit to the Borrower and its predecessor in interest thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby pledges to the Administrative Agent for the benefit of the Secured Parties, and grants to the Administrative Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the “Trademark Collateral”):

- (a) all of its Trademarks (other than any “intent-to-use” Trademark applications for which a statement of use has not been filed and accepted with the U.S. Patent and Trademark Office (but only until such statement is filed and accepted with the U.S. Patent and Trademark Office)), including, without limitation, those referred to on Schedule 1 hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between this Agreement and the Guaranty and Security Agreement, the Guaranty and Security Agreement shall control.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, but subject to the terms of the Guaranty and Security Agreement, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks subject to a security interest hereunder.

Section 5. Termination. This Trademark Security Agreement shall terminate and the Lien on the security interest in the Trademark Collateral shall be released upon the payment and performance of the Secured Obligations (other than any outstanding indemnification obligations) and cash collateralization of Letters of Credit. Upon the termination of this Trademark Security Agreement, the Administrative Agent shall execute all documents, make all filings, and take all other actions reasonably requested by the Grantors to evidence and record the release of the Lien on and security interests in the Trademark Collateral granted herein.

Section 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 7. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.
