FIRST LIEN TRADEMARK SECURITY AGREEMENT dated as of October 4, 2021 (this "Agreement"), among DexKo Global Inc., Dexter Axle Company LLC, Dexter Marine Products of Georgia, LLC, Quality Trailer Products LLC, Redneck, Inc, Redline Products, LLC (individually, the "Grantor", and collectively, the "Grantors") and CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as Collateral Agent (in such capacity, the "Collateral Agent").

Reference is made to the First Lien Collateral Agreement dated as of October 4, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among the Grantors, the other grantors from time to time party thereto and the Collateral Agent, pursuant to which each Grantor granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in the Trademark Collateral (as defined herein). Pursuant to the Collateral Agreement, each Grantor agreed to execute and deliver this Agreement in order to record the security interest granted to the Collateral Agent with the USPTO. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified (including specified by reference) in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Applicable Secured Obligations, each Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all of such Grantor's right, title and interest in, to and under the United States Trademark registrations and Trademark applications listed on Schedule I attached hereto, but excluding any intent-to-use Trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege to Use" with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark application or any registration issuing therefrom under applicable federal law, together with (a) all renewals or extensions thereof, (b) any and all goodwill associated with, connected with the use of or symbolized by any of the foregoing, (c) the right to sue or otherwise recover for any past, present and future infringement, dilution, or other violation or impairment thereof, and (d) all Proceeds of the foregoing, including without limitation license fees, royalties, income, payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect thereto (the "Trademark Collateral"). This Agreement is not to be construed as an assignment of any Trademark Collateral.

SECTION 3. Collateral Agreement. The Security Interest granted to the Collateral Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Termination. Upon the occurrence of the Termination Date or the release of a Grantor from its obligations and/or release of the Trademark Collateral under the Collateral Agreement pursuant to Section 5.13 of the Collateral Agreement, the security interest granted herein shall automatically terminate and the Collateral Agent shall execute, acknowledge, and deliver to such Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien, and security interest in the Trademark Collateral under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Any signature to this Agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. Federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement.

SECTION 6. Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

SECTION 7. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks record this First Lien Trademark Security Agreement with the U.S. Patent and Trademark Office.
