WHEREAS, the Defendants/Grantors have entered into a Settlement Agreement dated as of September 30, 2021 with the Plaintiffs.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged and subject to the terms of said Settlement Agreement, the Grantors agree as follows:

1. Grant of Trademark Security Interest. Grantors hereby grant to Plaintiffs, a security interest in Grantors' rights, title and interest in and to the "Trademark Collateral":

(i) all trademarks, service marks, domain names, trade dress, logos, designs, slogans, trade names, business names, corporate names and other source identifiers, whether registered or unregistered, owned by the Grantors (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of security interest therein would impair the validity or enforceability of any registration issued from such intent-to-use trademark applications under applicable federal law), including, without limitation, each trademark registration and application therefor, identified above, and all of the goodwill of the business connected with the use of, or symbolized by, each trademark;

(ii) each trademark license to which any of the Grantors are a party to the extent assignable, including, without limitation, each trademark license referred to in Schedule 1 hereto, if any, and all of the goodwill of the business connected with the use of, or symbolized by, each trademark license pursuant thereto;

(iii) all registrations and applications for registration for any trademark, together with all extensions and renewals thereof;

(iv) all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of the Grantors accruing thereunder or pertaining thereto;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(vi) all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to any and all of the foregoing.

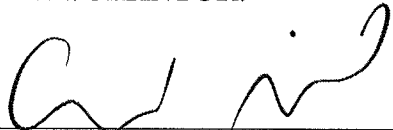

2. No Transfer of Grantors' Rights. The Grantors agree not to sell, license, exchange, assign, or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber any of the Trademark Collateral.

3. Security for Secured Obligations. The grant of continuing security interest in the Trademark Collateral by each Grantor under this Trademark Security Agreement secures the payment of the Secured Obligations of the Grantors with respect to the Settlement Agreement. This Agreement will terminate ("Termination") upon the Payment in Full of the Secured Obligations. Upon such Termination, the Liens on the Trademark Collateral granted hereunder shall automatically be released without further action of Plaintiffs, and Plaintiffs shall promptly, upon Grantors' request and at Grantors' expense, execute and deliver to Grantors a release of the liens on the Trademark Collateral granted pursuant to this Agreement or similar instrument of conveyance, in each case reasonably acceptable to Grantors, and deliver UCC termination statements with respect to its lien on the Collateral, all as Grantors may reasonably request.

4. Authorization. Defendants/Grantors authorize the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office to record this Security Interest in the Trademark Collateral set forth above to Plaintiffs/Assignees from Defendants/Grantors. Grantors further agree to execute any documents reasonably necessary to affect this Security Interest or to confirm the Plaintiffs/Assignees collateral interest in and to the Trademark Collateral, subject to Section 3 above.

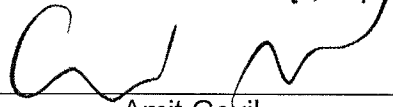

IN WITNESS WHEREOF, Defendants/Grantors and Plaintiffs/Assignees have duly executed this Security Interest in favor of Plaintiffs/Assignees as of the date set forth above.
