**Re: Authenticated Demand for Release of Security Interests**

To Whom It May Concern:

JPMorgan Chase Bank, N.A. ("Chase Bank") currently holds outstanding liens (the "Liens") on certain trademarks belonging to Calip Holdings Inc. (the "Company") pursuant to that certain Trademark Security Agreement, dated November 20, 2007. Such Liens are more particularly described on Exhibit A attached hereto.

The Company does not have any outstanding obligations that are secured by the collateral covered by the Liens, nor are there any commitments on Chase Bank's part to make advances, incur obligations or otherwise give value. Accordingly, the Company hereby demands that Chase Bank file releases of security interests with the United States Patent and Trademark Office to terminate such Liens unduly encumbering the Company's property.

If Chase Bank fails to file the aforementioned releases within twenty (20) days of receipt of this authenticated demand, the Company will proceed to file such releases to terminate the Liens.

Very Truly Yours,

**CALIP HOLDINGS INC.**
