TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made as of October 20, 2021, from PAR PHARMACEUTICAL, INC., a New York corporation ("Seller"), for the benefit of Strides Pharma, Inc., a New Jersey corporation ("Purchaser"). All capitalized terms used herein and not otherwise defined shall have the meanings assigned to them in the Purchase Agreement (as defined below).

RECITALS

- A. Reference is made to that certain Asset Purchase Agreement (the "Purchase Agreement"), dated as of August 4, 2021, by and among Purchaser and Seller.
- B. Pursuant to the Purchase Agreement, Seller is required to assign to Purchaser all of Seller's right, title and interest in and to the trademarks and trademark registrations listed on the attached Exhibit A (the "Trademarks").
- C. Purchaser desires to obtain all of Seller's right, title and interest in the Trademarks according to the terms of this Assignment and the Purchase Agreement.

NOW THEREFORE, in consideration of the premises, representations, warranties, and the mutual covenants and agreements hereinafter contained and contained in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, Seller, intending to be legally bound hereby, agrees as follows:

1. Conveyance of Trademarks. Seller hereby sells, assigns and transfers to Purchaser, its successors, assigns and legal representatives, and Purchaser hereby accepts and receives, Seller's entire world-wide right, title and interest in and to the Trademarks, the goodwill of the business symbolized by the Trademarks, all registrations and applications for the Trademarks including all of their listed goods and services, and the right to sue for, settle or release any past, present or future infringement of the Trademarks, and obtain equitable relief of all said rights to be held and enjoyed by Purchaser for its own use and enjoyment and for the use and enjoyment of its successors and assigns as fully and entirely as the same would have been held by Seller had this sale, assignment and transfer not been made.

2. Additional Rights and Obligations of the Parties. Seller hereby agrees and acknowledges that additional rights and obligations of the Parties and certain other parties signatory to the Purchase Agreement are expressly provided for in the Purchase Agreement, and that the execution and delivery of this Assignment shall not expand, impair or diminish any of the rights or obligations of any of the Parties, as set forth therein. The terms of the Purchase Agreement, including but not limited to all representations, warranties, covenants, agreements and indemnities relating to the Trademarks, are incorporated herein by this reference. Seller acknowledges and agrees that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

3. Electronic Signature. The Parties intend to treat as an original any document signed in connection with the transactions contemplated by this Assignment, including any related document, that is delivered by electronic transmission, including by facsimile, PDF, photo static copy, or otherwise.

4. Headings. The headings appearing at the beginning of sections contained herein have been inserted for identification and reference purposes and shall not be used to determine the construction or interpretation of this Assignment.

5. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware applicable to contracts made and performed in such State, without reference to such State's or any other state's or jurisdiction's principles of conflict of laws.

6. Binding Effect. This Assignment shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns.

7. Severability. If any term or other provision of this Assignment is invalid, illegal, or incapable of being enforced by any Law or public policy, all other terms or provisions of this Assignment shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties shall negotiate in good faith to modify this Assignment so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.
