## TRADEMARK SECURITY AGREEMENT

**WHEREAS**, the Grantor listed on the signature page hereto (the “**Grantor**”), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below); and

**WHEREAS**, the Grantor is party to a Security Agreement, dated as of October 20, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), by and among the Grantor, the other grantors party thereto and **Silicon Valley Bank**, as the Administrative Agent for the Secured Parties, pursuant to which the Grantor granted a security interest to the Administrative Agent (for the benefit of the Secured Parties) in the Trademark Collateral (as defined below) and is required to execute and deliver this Trademark Security Agreement (this “**Agreement**”).

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meanings given to them in the Security Agreement.

**NOW, THEREFORE**, in consideration of the foregoing and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by Grantor to the Administrative Agent (for the benefit of the Secured Parties) pursuant to the Security Agreement, Grantor hereby grants to the Administrative Agent (for the benefit of the Secured Parties) a security interest in all of Grantor’s right, title and interest in and to the following, in each case whether now owned or existing or hereafter acquired, developed, created or arising and wherever located (collectively, the “**Trademark Collateral**”), other than Excluded Property:

- (i) all trademarks, service marks, designs, logos, indicia of origin, trade names, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such a Grantor, or hereafter adopted and used, in its business (including, without limitation, the trademarks set forth on Schedule A annexed hereto), all rights corresponding thereto and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof (collectively, the “**Trademarks**”);
- (ii) all goodwill of such Grantor’s business symbolized by the Trademarks associated therewith;
- (iii) all proceeds, products, rents and profits of or from any and all of the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not the Administrative Agent is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral; and
- (iv) the right to sue or otherwise recover for any past, present and future infringement, dilution, misappropriation or other violation or impairment of any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 1(a) of the Security Agreement attach to any "intent-to-use" trademark applications for which a statement of use or an amendment to allege use has not been filed with the United States Patent and Trademark Office (but only until such statement or amendment is filed with the United States Patent and Trademark Office), and solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of, or void or cause the abandonment or lapse of, such application or any registration that issues from such intent-to-use application under applicable U.S. law.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement. Section 1 of the Security Agreement is hereby incorporated by reference. In the event that any provision of this Agreement is deemed to conflict or is inconsistent with the Security Agreement, the provisions of the Security Agreement shall govern and control.

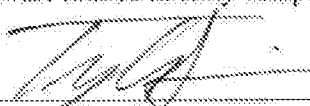

Section 9.09 (*Governing Law; Jurisdiction; Consent to Service of Process*) of the Credit Agreement is hereby incorporated by reference, *mutatis mutandis*. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original for all purposes, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by telecopy or electronic transmission (including Adobe pdf file) shall be as effective as delivery of a manually executed counterpart of this Agreement.

[*Signature Pages Follow.*]

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
