The Grantor has pledged and granted to Collateral Agent a continuing security interest in all intellectual property, including the Trademark Collateral (as defined below).

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor agrees, for the benefit of Collateral Agent, as follows:

2. Grant of Security Interest. Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby pledges and grants to Agent a continuing security interest in, all of the Grantor's right, title and interest in, to and under the following Collateral of such Grantor (the "Trademark Collateral"):

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding anything contained in this Agreement to the contrary, the term "Trademark Collateral" shall not include any United States intent-to-use trademark applications for which an amendment to allege
