GRANT OF SECURITY INTEREST

TRADEMARKS

THIS GRANT OF SECURITY INTEREST, dated as of October 7, 2021, is executed by EACH OF THE PERSONS LISTED ON THE SIGNATURE PAGES HERETO AS GRANTORS (each a “Grantor” and collectively, the “Grantors”), in favor of FIRST NATIONAL BANK OF OMAHA, a national banking association, as administrative agent for the Lenders (in such capacity, the “Administrative Agent”). Capitalized terms used herein and not otherwise defined shall have the meanings given to them in the Credit Agreement (as defined below).

A. Pursuant to that certain Credit Agreement dated as of even date herewith (as amended, supplemented, modified or restated from time to time, the “Credit Agreement”) by and among Sandhills Global, Inc., a Nebraska corporation (“Sandhills”), and 402 Ventures, LLC, a Delaware limited liability company (“402 Ventures”) (Sandhills and 402 Ventures are hereinafter referred to individually and collectively as the “Borrower”), the Guarantors party thereto, the Lenders party thereto and the Administrative Agent, in its capacity as the Administrative Agent, Swingline Loan Lender and Issuing Lender, the Secured Parties have agreed to provide to the Borrower certain credit facilities.

B. It is a condition precedent to the Secured Parties’ obligations to make and maintain such extensions of credit that the Grantors shall have executed and delivered this Agreement to the Administrative Agent.

C. The Grantors have adopted, used and are using the trademarks, more particularly described on Schedules 1-A and 1-B annexed hereto and made a part hereof, which trademarks are registered or subject to an application for registration in the United States Patent and Trademark Office (collectively, the “Trademarks”).

D. The Grantors and the Administrative Agent have entered into a Security Agreement, dated as of even date herewith (as amended, supplemented, modified or restated from time to time, the “Security Agreement”).

E. Pursuant to the Security Agreement, the Grantors have granted to the Administrative Agent for the benefit of the Secured Parties a security interest in all right, title and interest of the Grantors in and to the Trademarks, together with the goodwill of the business symbolized by the Trademarks and the customer lists and records related to the Trademarks and the applications and registrations thereof, and all proceeds thereof, including any and all causes of action which may exist by reason of infringement thereof (the “Collateral”), to secure the prompt payment, performance and observance of the Secured Obligations (as defined in the Security Agreement).

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Grantors do hereby further pledge and grant to the Administrative Agent for the benefit of the Secured Parties a security interest in and to all of the right, title, and interest of Grantors in, to, and under the following Collateral:

(a) the Trademarks, together with the goodwill connected with the use of and symbolized thereby, and all extensions and renewals thereof, excluding only United States intent-to-use trademark applications to the extent that, and solely during the period in which,

the grant, attachment, or enforcement of a security interest therein would, under applicable federal law, impair the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

(b) all rights of any kind whatsoever of Grantors accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right, but no obligation, to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

The Grantors do hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

Grantors authorizes the Commissioner for Trademarks and any other government officials to record and register this Grant of Security Interest upon request by the Administrative Agent.

The Administrative Agent's address is:
