TRADEMARK ASSIGNMENT

This **Trademark Assignment Agreement** (the “Trademark Assignment”) is made and entered into as of October 29, 2021 (the “Effective Date”) by and between BOOZ ALLEN HAMILTON INC., a Delaware corporation (the “Assignor”) and THREATOLOGY, INC., a Delaware corporation (the “Assignee”). Assignee and Assignor are sometimes referred to herein individually as a “Party” and collectively as the “Parties”. Capitalized terms used herein, but not defined herein, shall have the meaning ascribed to such terms in the Contribution Agreement (as defined below).

WHEREAS, pursuant to that certain Contribution Agreement between Assignor and Assignee, dated as of the date hereof (the “Contribution Agreement”) and the terms herein, at the Effective Time, Assignor wishes to assign to Assignee, and Assignee wishes to assume, all right, title and interest in and to the trademark registration set forth on Schedule I attached hereto, including any renewals, extensions, and common law rights therein, and any and all goodwill associated therewith (collectively, the “Assigned Trademark”).

NOW, THEREFORE, in consideration of terms and conditions herein and in the Contribution Agreement, and for other good and valuable consideration furnished by Assignee to Assignor, the receipt, adequacy and legal sufficiency of which are hereby acknowledged by the Parties:

1. At the Effective Time and as of the Effective Date, Assignor agrees to assign, transfer, sell and convey, and hereby assigns, transfers, sells and conveys to Assignee, its successors and assigns, all of Assignor’s right, title, and interest in and to the Assigned Trademark, together with all registrations and applications therefor, any and all goodwill associated with the Assigned Trademark including the relevant portion of the Assignor’s Business to which the Assigned Trademark, including intent-to-use marks, pertain, and all other corresponding rights that are or may be hereafter secured under the laws of any country, now or hereafter in effect, for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Trademark Assignment had not been made, including all right, title and interest in and to all income, proceeds, royalties, damages, claims and payments which accrue on or after the Effective Time, and in and to all causes of action, either at law or in equity, for any past, present or future infringement of the Assigned Trademark, or other violation or unauthorized use of the Assigned Trademark, with the right to sue for, and collect the same. Assignor and Assignee acknowledge and agree that this assignment is being made in connection with the assignment of the portion of Assignor’s Business to which the Assigned Trademark pertains as provided for in the Contribution Agreement.

2. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the corresponding empowered officials of all other governments to issue or transfer the Assigned Trademark to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

3. The Parties acknowledge and agree that certain documents may need to be executed and delivered by Assignor to effectuate transfer of title to the Assigned Trademark to Assignee. Assignor agrees to provide to Assignee and Assignee’s successors, assigns or other legal

representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation), reasonably requested by Assignee to more fully and effectively effectuate the purposes of this Trademark Assignment, at Assignee's sole expense.

4. Each provision of this Trademark Assignment will be interpreted in such a manner as to be effective and valid under applicable law, but if any term or other provision of this Trademark Assignment is held to be invalid, illegal or unenforceable under applicable law, all other provisions of this Trademark Assignment shall remain in full force and effect.

5. This Trademark Assignment may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original. This Trademark Assignment may not be amended except by an instrument in writing signed by each of the Parties hereto.

6. This Trademark Assignment shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia without giving effect to any choice or conflict of law provision or rule (whether of the Commonwealth of Virginia or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the Commonwealth of Virginia.
