EXHIBIT A

TRADEMARK ASSIGNMENT

WHEREAS, Car Body Lab Inc., a corporation organized under the laws of Delaware (“**Assignor**”), is the owner of the trademark DRIVEWAY, U.S. Reg. No. 6044046 (collectively, these rights shall be referred to as the “**Trademark**”); and

WHEREAS, Lithia Motors, Inc., an Oregon corporation (“**Assignee**”), pursuant to a certain agreement between the parties, desires to acquire all right, title, and interest in and to the Trademark, all goodwill and common law rights appurtenant thereto, and Assignor desires to assign the same to Assignee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably sells, assigns, conveys and transfers to Assignee all of its rights, title, and interest in and to the Trademark and the goodwill and common law rights appurtenant thereto, and including the following:

1.1 All rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

1.2 All claims which may be obtained therefrom for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made; and

1.3 Any and all of Assignor’s rights, privileges and priorities provided under applicable law with respect to the Trademark, including, without limitation, Assignor’s common law rights and rights under any relevant laws, including any and all rights to bring an action, whether at law or in equity, for infringement, misappropriation, unfair competition, dilution or other violation, any and all rights to any income, royalties, damages and payments which become due or payable in respect thereof on or after the effective date of this Assignment, and any and all rights in and to all claims (including claims for past, current or future infringement or misappropriation of intellectual property rights and the rights to any damages, proceeds and other remedies or recoveries relating thereto), counterclaims, defenses, causes of action, demands, judgments, rights of recovery, rights of set-off, rights of subrogation and all other rights of any kind of Assignor against any third party, to the extent relating to the Trademark (regardless of whether such rights are exercisable).

2. Recordation and Further Actions. Assignor will not execute any writing nor do any act conflicting with this Assignment, and Assignor will upon reasonable request, without further consideration, execute such additional writings necessary for the prosecution, maintenance and renewal of the Trademarks before the United States Patent and Trademark Office or any equivalent authorities in foreign countries, as Assignee or its successors and assigns may deem reasonably necessary up and until the Assignment is made effective, at which time all such aforementioned

actions and/or responsibilities on behalf of Assignor outlined in this section will cease. Assignee does hereby accept this assignment, effective as of the last date signed below.

3. Counterparts. The parties may execute this agreement in counterparts, each of which together shall be deemed the complete and fully executed agreement.

4. Successors and Assigns. This Assignment shall inure to the benefit of and be binding upon Assignee and Assignor and their respective heirs, successors, and assigns.
