[FORM OF] TRADEMARK SECURITY AGREEMENT SUPPLEMENT

This TRADEMARK SECURITY AGREEMENT SUPPLEMENT is entered into as of [●] [●], 20[●] (this “Trademark Security Agreement Supplement”), by [●] ([**each, a**][**the**] “**Grantor**”) in favor of PNC Bank, National Association, in its capacity as administrative agent and collateral agent for the Secured Parties (in such capacities, collectively, the “Agent”).

Reference is made to that certain Pledge and Security Agreement, dated as of October 29, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), among the Loan Parties party thereto and the Agent. The Lenders (as defined below) have extended credit to the Borrowers (as defined below) subject to the terms and conditions set forth in that certain Asset-Based Revolving Credit Agreement, dated as of October 29, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among ShelterLogic Group, Inc., a Delaware corporation, ShelterLogic Corp., Arrow Shed, LLC, a Delaware limited liability company, Sojag Inc., a Canadian corporation, and ShelterLogic Operations Canada, Ltd., a British Columbia corporation (collectively, the “Borrowers”), ShelterLogic Group Holdings, Inc., a Delaware corporation (“Holdings”), the lenders from time to time party thereto and the Agent. Consistent with the requirements set forth in Sections 4.01 and 5.12 of the Credit Agreement and Section 4.03(c) of the Security Agreement, the Grantors and the Agent have entered into that certain Trademark Security Agreement, dated as of October 29, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Trademark Security Agreement”). Under the terms of the Security Agreement, the Grantor has granted to the Agent for the benefit of the Secured Parties a security interest in the Additional Trademark Collateral (as defined below) and have agreed, consistent with the requirements of Section 4.03(c) of the Security Agreement, to execute this Trademark Security Agreement Supplement. Now, therefore, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Trademark Security Agreement Supplement and not otherwise defined herein have the meaning specified in the Security Agreement.

SECTION 2. Grant of Security Interest. As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does pledge, collaterally assign, mortgage, transfer and grant to the Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a continuing security interest in all of its right, title or interest in, to or under all of the following assets, whether now owned or at any time hereafter acquired by or arising in favor of the such Grantor and regardless of where located (collectively, the “Additional Trademark Collateral”):

A. (i) all Trademarks, including the Trademark registrations and registration applications in the United States Patent and Trademark Office listed on Schedule I hereto, (ii) all extensions and renewals thereof, (iii) all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, (iv) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims and payments for past, present and future infringements or dilutions thereof; (v) all rights to sue for past, present, and future infringements or dilutions of any of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (vi) all rights corresponding to any of the foregoing, in each case, excluding any Excluded Assets; and

B. all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto;

SECTION 3. Security Agreement. The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the Additional Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement Supplement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to its principles or rules of conflict of laws to the extent such principles or rules are not mandatorily applicable by statute and would require or permit the application of the laws of another jurisdiction.

SECTION 5. Counterparts. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.
