## PATENT AND TRADEMARK ASSIGNMENT

This Patent and Trademark Assignment (this "Assignment") is made and entered into as of September 8, 2021 ("Effective Date"), by and between Diamond Products, LLC, a Delaware limited liability company, with an address of 8501 Fallbrook Avenue, Suite 370, West Hills, California 91304 ("Assignor") and PD Products, LLC, a Delaware limited liability company, with an address of 8501 Fallbrook Avenue, Suite 370, West Hills, California 91304 ("Assignee"). Together, Assignor and Assignee are referred to as the "Parties" and individually as a "Party."

### RECITALS

A. Assignor, immediately prior to the Effective Date, was the owner of all right, title and interest in and to (1) the patent application, and all inventions and subject matter disclosed and/or claimed therein, set forth in Schedule 1 attached hereto and made a part hereof ("Assigned Patent Application"), and (2) the trademarks set forth in Schedule 1, together with all registrations and applications for registration thereof, and all common law rights with respect thereto, the benefit of prior use thereof and the goodwill of the business associated therewith and symbolized thereby ("Assigned Trademarks");

B. Assignor wishes to sell, assign and transfer to Assignee, and Assignee wishes to acquire, Assignor's entire right, title and interest in and to the Assigned Patent Application and Assigned Trademarks; and

C. Assignee and Assignor desire to record the assignment set forth in this Assignment with the United States Patent and Trademark Office ("USPTO") and any other public records for which recording is deemed appropriate by Assignee.

### AGREEMENT

1. Incorporation of Recitals; Capitalized Terms. The foregoing recitals are incorporated into and made a part of this Assignment as if fully set forth herein.

2. Assignment of Patent Application. For valuable consideration from the Assignee to the Assignor, the receipt and adequacy of which are hereby acknowledged, the Assignor hereby irrevocably and unconditionally conveys, transfers, and assigns to the Assignee, its lawful successors and assigns, and the Assignee accepts, the entire and exclusive right, title, and interest in and to the Assigned Patent Application and all patents that may be granted therefor in the United States and all other countries, territories, and jurisdictions in the world (collectively, the "Countries"), and to all existing or future related applications, divisions, substitutes, renewals, reissues, continuing applications, continuations-in-part, divisional applications, conversions, re-examinations, extensions, and any resulting patents thereof, and all other applications hereafter filed based in whole or in part on the Assigned Patent Application, in all Countries (collectively, the "Applications") for the full terms for which the same may be granted and any rights associated therewith, including, but not limited to, any and all royalties, profits, damages, fees, income, payments, and other proceeds now or hereafter due or payable. Assignor further irrevocably and unconditionally grants to Assignee, its successors and assigns, the right to claim

**REEL: 007481 FRAME: 0059**

for any Applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries. Further, Assignor irrevocably and unconditionally authorizes the Assignee to file for and request that the USPTO and corresponding bodies in other Countries issue any and all patents resulting from any of the Applications to the Assignee.

3. Assignment of Trademarks. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby unconditionally and irrevocably assigns, transfers and conveys to Assignee, its successors and assigns, all of its right, title, and interest, throughout the world, in, to, and under the Assigned Trademarks and all registrations and applications for registration thereof and all common law rights with respect thereto together with all goodwill of the business in which the Assigned Trademarks are used and which is symbolized by the Assigned Trademarks, including, without limitation, the exclusive rights (a) to apply for and maintain all registrations, renewals and/or extensions thereof, (b) to all claims and causes of action to recover past, present and future damages, royalties, fees, income, payments, profits and other proceeds or other relief or restitution, and equitable and injunctive relief ensuing from past, present and future infringement, dilution, misappropriation, unfair competition, violation, and/or misuse of the Assigned Trademarks, (c) to any and all licenses or other similar contractual rights for the Assigned Trademarks, (d) to grant licenses or other interests in the Assigned Trademarks, (e) to any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any of the Assigned Trademarks, and (f) to otherwise fully and entirely stand in the place of Assignor in all matters related to the Assigned Trademarks.

4. Warranty. Assignor has the full rights in the Assigned Patent Application and Assigned Trademarks and has not licensed, encumbered, assigned, transferred, conveyed, or pledged to any person or entity, the Assigned Patent Application or the Assigned Trademarks, or any rights assigned herein.

5. Further Assurances. Assignor shall execute any instruments or documents and perform all other acts necessary or appropriate, in the reasonable discretion of the Assignee, to further evidence the intent and purpose of this Assignment.

6. Entire Agreement. This Assignment, together with Schedule I, constitutes the sole and entire agreement of the Parties to this Assignment with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.

7. Governing Law. This Assignment (and any claim or controversy arising out of this Assignment) shall be governed by and construed in accordance with the laws of the State of California, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of California or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of California.

8. Successors and Assigns. This Assignment shall be binding on and inure to the benefit of the Parties' successors and assigns.

9. Severability. If any provision of this Assignment or its application to any person or circumstance shall be declared invalid or unenforceable by a court of competent jurisdiction, then the remaining provisions of this Assignment or the application of such provision to persons or circumstances other than those to which it is invalid or unenforceable, shall not be affected thereby, and each provision shall be valid and enforceable to the maximum extent permitted by law.

10. Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Assignment by facsimile, portable document format or other electronic means shall be effective as delivery of a manually executed counterpart to this Assignment.
