**ORDER (I) AUTHORIZING AND APPROVING ASSET PURCHASE AGREEMENT BY
AND BETWEEN WEISSMAN’S THEATRICAL SUPPLIES, INC. AS PURCHASER,
AND STEVEN M. CARR, TRUSTEE, AS SELLER; AND (II) AUTHORIZING SALE OF
ASSETS FREE AND CLEAR OF ALL LIENS, CLAIMS, ENCUMBRANCES AND
INTERESTS**

This matter came to be heard upon the motions (the “Sale Motions”) of Steven M. Carr, the Chapter 7 Trustee (the “Trustee”) for Perform Group, LLC (the “Debtor”) for the entry of an order authorizing and approving the sale of certain assets of the Debtor’s chapter 7 estate as more particularly described herein.

THE COURT HEREBY FINDS THAT:¹

A. The Debtor filed a voluntary petition under Chapter 7 of the Bankruptcy Code on June 15, 2021. The Trustee was thereafter appointed as the Trustee for the Debtor’s bankruptcy estate.

¹

The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157(b)(1) and 1334(a). This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (N) and (O). Venue is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

C. The statutory bases for the relief requested in the Motion are sections 363(b), (f), and (m) and 704(1) of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 9007 and 9014.

D. On August 12, 2021, the Trustee filed (i) a Motion to Sell Inventory and Intellectual Property Free and Clear of Liens and Encumbrances Pursuant to 11 U.S.C. §363 (dkt. #54), and (ii) a Motion to Sell Debtor’s Personalty Free and Clear of Liens and Encumbrances Pursuant to 11 U.S. C. §363 (dkt. # 56) (such motions are collectively referred to as the “Sale Motions”).

E. On August 14, 2021, the Trustee filed Certificates of Service (dkt. #'s 59 and 61) describing that notices of the Sale Motions were mailed to over 3,000 creditors and parties in interest included thereon (the “Certificates of Service”).

F. On August 19, 2021, PeoplesBank, A Codorus Valley Company (the “Bank”) filed a limited objection (the “Bank’s Objection”) to the Sale Motions. The Bank and the Trustee subsequently resolved the Bank’s Objection by entering into a stipulation (“Stipulation”) resolving the Bank’s Objection, which Stipulation was approved by the Court on September 2, 2021 (dkt. # 68).

G. Among other things, the Stipulation required the Trustee to solicit high and better offers for the assets to be sold. The Trustee established a deadline of

September 14, 2021 at 4:00 p.m. EDT (the “Bid Deadline”) as the deadline for other interested purchasers to submit offers.

H. Weissman’s Theatrical Supplies, Inc. (“Weissman” or the “Purchaser”) and nine (9) other potential bidders submitted offers before the Bid Deadline. In addition, pursuant to the Stipulation, and because it holds a valid, perfected, first priority security interest in substantially all of the assets to be sold pursuant to the Sale Motions, the Bank reserved its right to credit bid for some or all of the assets under 11 U.S.C. §363(k) (all bidders described in this paragraph shall be referred to as the “Qualified Bidders”).

I. On September 16, 2021, the Trustee, with the assistance of the court approved broker, SC&H Group, Inc. (“SC&H”), conducted an auction which all Qualified Bidders attended. Ultimately, the Trustee concluded that Weissman submitted the highest and best offer for the assets described on Exhibit A attached hereto and incorporated herein by this reference (such assets shall be referred to as the “Weissman Acquired Assets”).

J. The Trustee and Weissman thereafter entered into an Asset Purchase Agreement (the “Asset Purchase Agreement”), a true copy of which is attached hereto as Exhibit B.

K. The entire sale process, including the September 16, 2021 auction, was fair and reasonable and conducted in a non-collusive, good faith manner.

L. As evidenced by the Certificates of Service, actual written notice of the Sale Motions was afforded to all known creditors and other interested entities.

M. Purchaser is purchasing the Weissman Acquired Assets in good faith and is a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code. Purchaser is entitled to the full protections of Section 363(m) of the Bankruptcy Code, and has proceeded in good faith in all respects in connection with this case. Purchaser has not violated Section 363(n) of the Bankruptcy Code by any action or inaction, and the negotiation and execution of the Purchase Agreement was without collusion, at arms-length and in good faith in all respects.

N. The Purchase Agreement constitutes the highest and best offer for the Weissman Acquired Assets, and will provide a greater recovery for the Debtor's estate than would be provided by any other available alternative.

O. Purchaser is not an affiliate or insider of the Debtor. Purchaser is not a mere continuation of the Debtor or its estate and there is no continuity of ownership between Purchaser and the Debtor.

P. The Purchaser shall have no obligations with respect to any liabilities of the Debtor.

Q. The Bank consents to the sale of the Weissman Acquired Assets to the Purchaser pursuant to this Order and the Purchase Agreement so long as the Bank's security interest attaches to the sale proceeds as set forth herein.

R. Pursuant to 11 U.S.C. §363(f), the Trustee may sell the Weissman Acquired Assets free and clear of all mortgages, deeds of trust, liens, pledges, charges, title defects, security interests, leasehold interests, or other legal or equitable encumbrance of any kind (collectively, "Liens") against the Debtor, its estate or any of the Weissman Acquired Assets.

S. To maximize the value of the Weissman Acquired Assets, it is essential that the sale occur within the time constraints set forth in the Purchase Agreement. Time is of the essence in consummating the sale.

T. The consummation of the sale is legal, valid and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, Sections 105(a), 363(b), 363(f), 363(m), and 704(1) of the Bankruptcy Code, and all of the applicable requirements of such sections have been complied with in respect of the sale hereunder.

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

General Provisions

1. The Sale Motions as they pertain to the Weissman Acquired Assets are approved as set forth in this Order.²

2. All objections to the Sale Motions or the relief requested therein that have not been withdrawn, waived, or settled as announced to this Court at the sale hearing or by stipulation filed with this Court, and all reservations of rights included therein, are hereby overruled on the merits with prejudice or such objections have been otherwise satisfied prior to the entry of this Order. All parties who did not object or withdrew their objections to the Sale Motion are deemed to have consented pursuant to section 363(f) of the Bankruptcy Code.

Approval of the Purchase Agreement

² The Court will enter separate orders contemporaneously relating to the sale of other assets pursuant to the Sale Motions.

3. The Purchase Agreement and Ancillary Agreements (as defined in the Purchase Agreement) of the terms and conditions thereof, are hereby approved.

4. Pursuant to Section 363(b) of the Bankruptcy Code, the Trustee is authorized, empowered, and directed to take any and all actions necessary or appropriate to (a) consummate the sale pursuant to and in accordance with the terms and conditions of the Purchase Agreement, (b) close the sale as contemplated in the Purchase Agreement and this Order, and (c) execute and deliver, perform under, consummate, implement and close fully the Purchase Agreement, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Purchase Agreement and the Sale

Transfer of the Weissman Acquired Assets

5. Pursuant to Sections 105(a), 363(b), 363(f), and 704(1) of the Bankruptcy Code, the Trustee is authorized to transfer the Weissman Acquired Assets on the Closing Date. The Weissman Acquired Assets shall be transferred to Purchaser “as is where is” with all faults to the extent provided in the Purchase Agreement upon and as of the Closing Date. The purchase and sale of the Weissman Acquired Assets and the related transfer constitutes a legal, valid, binding and effective transfer of the Weissman Acquired Assets and shall be free and clear of all Liens. All Liens shall attach solely to the proceeds of the sale with the same validity, priority, force and effect that they now have as against the Weissman Acquired Assets.

6. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Trustee to sell and transfer the Weissman Acquired Assets to Purchaser in accordance with the terms of the Purchase Agreement and this Order.

7. All persons and entities that are in possession of some or all of the Weissman Acquired Assets on the closing date for the transactions approved hereunder (the “Closing

Date”) are directed to surrender possession of such Weissman Acquired Assets to Purchaser or its assignee at the closing of the sale, at no cost to the Purchaser.

8. A certified copy of this Order may be filed with the appropriate filing offices, including the United States Patent and Trademark Office to act to evidence the (i) the transfer of the Weissman Acquired Assets, or (ii) the cancellation and release of any of the Liens of record.

9. This Order is and shall be binding upon and govern the acts of all entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, the United States Patent and Trademark Office, federal and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease; and each of the foregoing entities is hereby directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement.

Other Provisions

10. On the Closing Date, and from the sale proceeds, the Trustee shall cause the following to occur:

- (i) \$97,922.00 plus \$159.01 for expenses shall be paid to SG&H in partial satisfaction of its claim for its services in connection with the sale³;
- (ii) \$1,213,418.99 to be paid to the Bank in partial satisfaction of its claim against the Debtor; and

³ For the sake of convenience, and noting that this Order is being entered as one of a series of Orders approving the sale of various assets of the Debtor to several different purchasers, the broker’s fees and the carve-out associated with the sale of assets subject to secured claims shall be deducted in their entirety from the proceeds herein.

(iii) the Trustee shall retain the sum of \$88,500.00 for the benefit of the Chapter 7 estate.

11. Purchaser shall not be liable for any claims against the Debtor or any of its predecessors or affiliates.

12. Purchaser is not a “successor” to the Debtor or its estate by reason of any theory of law or equity, and Purchaser shall not assume, nor be deemed to assume, or in any way be responsible for any liability or obligation of the Debtor and/or its estate including, but not limited to, any bulk sales law, successor liability, liability or responsibility for any claim against the Debtor or against an insider of the Debtor, or similar liability except as otherwise expressly provided in the Purchase Agreement.

13. The sale contemplated by the Purchase Agreement is undertaken by Purchaser without collusion and in good faith, as that term is defined in Section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale shall not affect the validity of the sale unless such authorization and consummation of such sale is duly stayed pending such appeal. Purchaser is a good faith purchaser within the meaning of Section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of Section 363(m) of the Bankruptcy Code.

14. Pursuant to Bankruptcy Rules 9014 and 6004(h), this Order shall be effective immediately upon entry and the Trustee and Purchaser are authorized to close the sale immediately upon entry of this Order.

15. No bulk sales law or any similar law of any state or other jurisdiction applies in any way to the Sale.

16. The failure specifically to include any particular provision of the Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of this Court that the Purchase Agreement be authorized and approved in its entirety.

17. The Purchase Agreement and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties thereto and in accordance with the terms thereof, without further order of this Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtor's estate.

18. The Trustee is authorized to take all actions necessary to effectuate the relief granted pursuant to this Order. This Court shall retain jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the Purchase Agreement, all amendments thereto and any waivers and consents thereunder and each of the agreements executed in connection therewith to which the Debtor or Trustee is a party or which has been assigned by the Trustee to Purchaser, and to adjudicate, if necessary, any and all disputes concerning or relating in any way to the sale.

INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT, dated as of [REDACTED] (this "Assignment") is entered into by and among Steven M. Carr, in his capacity as chapter 7 trustee of Perform Group, LLC ("Seller") and Weissman's Theatrical Supplies, Inc. ("Buyer"). Capitalized terms used but not otherwise defined herein have the meanings ascribed to such terms in the Asset Purchase Agreement (as defined below).

Background

WHEREAS, the Buyer and the Seller have entered into that certain Asset Purchase Agreement, dated as of September [REDACTED], 2021 (the "Asset Purchase Agreement"), pursuant to which the Buyer will acquire, among other things, all right, title and interest of the Seller in and to the Intellectual Property, except for Excluded Assets; and

WHEREAS, the Seller and the Buyer now desire to carry out the intent and purpose of the Asset Purchase Agreement by the Seller's and the Buyer's execution and delivery of this Assignment evidencing and effecting the sale, transfer, assignment, conveyance and delivery to the Buyer of the Seller's right, title and interest in, to and under the Intellectual Property, except for Excluded Assets.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and the agreements set forth herein and the Asset Purchase Agreement, and in the other Ancillary Agreements, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

Agreement

1. Assignment. Effective as of the Closing, Seller hereby irrevocably sells, transfers, assigns, conveys and delivers to the Buyer, free and clear of all Liens of any and every kind, nature and description all of Seller's right, title and interest in, to and under all of the Intellectual Property, including (a) all associated rights as further set forth in the Asset Purchase Agreement, (b) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing, (c) the Intellectual Property registrations and applications set forth on Schedule A, (d) all rights of any kind whatsoever of Seller accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world, and (e) all issuances, extensions and renewals thereof, together with the goodwill of the business connected with the use thereof, and symbolized thereby, but excluding the Excluded Assets (collectively, the "Assigned IP"). Effective as of the Closing, the Buyer hereby purchases, accepts and acquires from Seller, free and clear of any and all Liens of any and every kind, nature and description all of Seller's right, title and interest in, to and under the Assigned IP.
2. Recordation. The Seller hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and the Office of the Register of Copyrights of the United States, and any official of any other jurisdiction or organization whose duty is to issue any applicable Assigned IP or any legal equivalent thereof, to record and register the Buyer as the assignee and owner of all right, title and interest in, to and under the applicable Assigned IP.
3. Further Assurances. Upon the request of the Buyer, Seller shall promptly execute any other documents and take any other actions reasonably required to give the Buyer or its designee or assignee the full benefit of this Assignment, the transactions and the assignments contemplated by this Assignment, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be

necessary to effect, evidence, perfect or record such assignments in any applicable filing jurisdictions to the Buyer or its designees or assignees. Seller hereby irrevocably grants the Buyer power of attorney to execute and deliver any of the documents referenced in Sections 2 or 3 of this Assignment on Seller's behalf in its name and to do all other lawfully permitted acts to transfer the Assigned IP to the Buyer or its designee or assignee, to further the transfer, issuance, prosecution, and maintenance of all intellectual property rights therein, and to perfect the transfer of the Assigned IP, in each case to the full extent permitted by law. The power of attorney is coupled with an interest and shall not be impacted by Seller's subsequent incapacity.

4. No Third Party Beneficiaries. The parties hereto do not intend to confer any benefit hereunder on any Person other than the parties hereto.
5. Successors and Assigns. This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
6. Subject to Asset Purchase Agreement. Nothing contained in this Assignment shall itself change, amend, extend or alter (nor shall it be deemed or construed as changing, amending, extending or altering) the terms or conditions of the Asset Purchase Agreement in any manner whatsoever. The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements, and conditions contained in the Asset Purchase Agreement will not be superseded hereby but will remain in full force and effect to the full extent provided therein.
7. Governing Law. To the extent not governed by the Bankruptcy Code, this Assignment shall be governed by and construed in accordance with the laws of the State of Missouri, without giving effect to rules governing the conflict of laws.
8. Submission to Jurisdiction. The parties hereto agree that the United States Bankruptcy Court for the Middle District of Pennsylvania shall retain exclusive jurisdiction to resolve any controversy or claim arising out of or relating to this Assignment or the implementation or breach hereof.
9. WAIVER OF JURY TRIAL. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS ASSIGNMENT OR THE TRANSACTIONS CONTEMPLATED BY THE ASSET PURCHASE AGREEMENT.
10. Absolute Assignment. The parties hereto intend that the assignments effected by this Assignment shall constitute absolute and unconditional assignments.
11. Entire Agreement. This Assignment, the Asset Purchase Agreement and the other Ancillary Agreements contain and constitute the entire agreement of the parties hereto with respect to the subject matter hereof and supersede all prior negotiations, agreements and understandings, whether written or oral, of the parties hereto.
12. Amendment, Waiver and Termination. This Assignment may not be amended, modified or waived except by an instrument in writing signed on behalf of each party hereto.
13. Counterparts. This Assignment may be executed in two or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. The exchange of copies of this Assignment and of signature pages by electronic transmission shall constitute effective execution and delivery of this Assignment as to the parties hereto and may be used in lieu of the original Assignment for all purposes.
