All capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to them in the Trademark Security Agreement Supplement (whether defined therein or by reference to another agreement).

WHEREAS, pursuant to that certain First Lien Pledge and Security Agreement, dated as of September 21, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), by and among the Borrower, Holdings, the Grantor, the Administrative Agent and certain other parties, the Grantor executed and delivered to the Administrative Agent a Trademark Security Agreement Supplement, dated as of April 22, 2021 (the “Trademark Security Agreement Supplement”), which was recorded in the United States Patent and Trademark Office (“USPTO”) on April 22, 2021 at Reel/Frame 7267/0538;

WHEREAS, pursuant to the Security Agreement and the Trademark Security Agreement Supplement, as security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, the Grantor pledged, collaterally assigned, mortgaged, transferred and granted to the Administrative Agent, its successors and permitted assigns, on behalf of and for the benefit of the Secured Parties, a continuing security interest (the “Security Interest”) in all of its right, title and interest in, to and under all of the following assets, whether then owned by or owing to, or thereafter acquired by or arising in favor of the Grantor, and regardless of where located: (a) all trademarks (including service marks), common law marks, trade names, trade dress, domain names and logos, slogans and other indicia of origin under the laws of any jurisdiction in the world, and the registrations and applications for registration thereof (including the registrations and applications listed on Schedule I hereto); and the goodwill of the business connected with the use of and symbolized by the foregoing; (b) all renewals of the foregoing; (c) all income, royalties, damages, and payments then or thereafter due or payable with respect thereto, including, without limitation, damages, claims and payments for past, present and future infringements or dilutions thereof; (d) all rights to sue for past, present, and future infringements or dilutions of any of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (e) all rights corresponding to any of the foregoing, but excluding any IP Rights in any non-U.S. jurisdictions, any intent-to-use Trademark application to the extent set forth therein, and any other Excluded Assets (collectively, the “Trademark Collateral”);

WHEREAS, the Grantor has requested the Administrative Agent to release the Security Interest in the Trademark Collateral.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Administrative Agent, hereby (i) terminates the Trademark Security Agreement Supplement, (ii) releases, discharges, terminates and cancels the Security Interest in the Trademark Collateral, and (iii) re-assigns to the Grantor any right, title or interest it may have in the Trademark Collateral, in each case without recourse to the Administrative Agent and without representation or warranty of any kind.
