ASSIGNMENT OF INTELLECTUAL PROPERTY

This Assignment of Intellectual Property (the “**Assignment**”), dated as of September 11, 2017, is made and entered into by and between 3 Sigma Corporation, a Washington corporation (“**Assignor**”), and 3S Acquisition Co, LLC, an Ohio limited liability company (“**Assignee**”).

RECITALS

Assignor is the owner of intellectual property, including, without limitation, inventions, designs, licenses, patents, patent applications, service marks, service mark applications, trademarks, trademark applications, trade names, trade dress, trade secrets, copyrights, copyright applications, and copyright registrations (collectively, the “**Property**”), that Assignor desires to transfer to Assignee.

NOW, THEREFORE, in consideration of the foregoing, the mutual promises hereafter set forth, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment.

1.1 General. Assignor assigns, conveys, and transfers unto Assignee Assignor’s entire worldwide right, title, and interest in and to the Property. **Schedule A** attached hereto includes a nonexhaustive listing of the Property.

1.2 Trademarks. Without limiting the generality of **Section 1.1**,

(a) Assignor assigns, conveys, and transfers unto Assignee Assignor’s entire worldwide right, title, and interest in and to all domestic and foreign registrations and applications for registration of the trademarks, service marks, trade dress, and trade names included in the Property, all domestic and foreign unregistered trademarks, service marks, trade dress, and trade names included in the Property, all renewals and extensions of any of the foregoing, the right to recover for past infringement of any of the foregoing, the entire goodwill of the business associated with which is symbolized by the foregoing, and all licenses related to any of the foregoing (including the right to recover for any prior breach thereof).

(b) Assignor authorizes and requests the United States Patent and Trademark Office and any similar foreign or domestic governmental authority to transfer to Assignee, its successors and assigns, record ownership of such registrations and/or applications, and to issue to Assignee, its successors and assigns, all Certificates of Registration, foreign or domestic, arising from the applications.

1.3 Copyrights. Without limiting the generality of **Section 1.1**,

(a) Assignor assigns, conveys, and transfers unto Assignee Assignor's entire worldwide right, title, and interest in and to all domestic and foreign registrations and applications for registration of the copyrights included in the Property, all unregistered copyrights included in the Property, all rights to recover for past infringement of such copyrights, and all licenses related to any of the foregoing, including the right to recover for any prior breach thereof.

(b) Assignor hereby authorizes the United States Copyright Office and any similar foreign or domestic governmental authority to transfer to Assignee, its successors and assigns, record ownership of such copyrights and copyright applications, and to issue to Assignee, its successors and assigns, all Certificates of Registration, foreign or domestic, relating thereto.

2. Further Assurances.

Assignor and Assignee agree to execute such additional documents and to perform such additional tasks as are required to effectuate the terms of this Assignment, including without limitation, the execution and filing of any documents necessary to transfer to Assignee and its successors and assigns all of Assignor's rights in the Property in the countries in which such Property is protected.
