WHEREAS, the parties are affiliated entities under common ownership and control;

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to assume, all of the Assignor’s right, title and interest in and to those United States trademark registrations set forth on the attached **Schedule 1** hereto (collectively, the “**Assigned Trademarks**”), which Assigned Trademarks shall vest in and become the property of Assignee; and

WHEREAS, the parties wish to confirm Assignor’s assignment of the Assigned Trademarks to Assignee and to record such Assignment on the records of the United States Patent and Trademark Office;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Assignment.** Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the following:
 - (a) the Assigned Trademarks set forth on **Schedule 1** hereto and all issuances, extensions, and renewals thereof, together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks;
 - (b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;
 - (c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
 - (d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.
2. **Recordation and Further Actions.** Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office to record and register this Trademark Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Assignee, or any assignee or successor thereto.

No provision of this Assignment is intended to confer upon any person other than the parties hereto and their respective successors and assigns any rights or remedies hereunder.

5. Governing Law. This Trademark Assignment and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Trademark Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Florida, without giving effect to any choice or conflict of law provision or rule (whether of the State of Florida or any other jurisdiction).

DECLARATION OF MATTHEW T. KELLEY, ESQ.

I, Matthew T. Kelley, being of full age, hereby declare as follows:

1. I am an Attorney-at-Law of the State of New Jersey and a partner at the law firm of Lanciano & Associates, L.L.C.
2. Our firm represents Go Solar, LLC and Go Solar Power, LLC, each a Florida limited liability company and affiliates under common ownership.
3. Go Solar, LLC owned two registered trademarks, one for "Go Solar", Registration No. 5487393, registered June 5, 2018 (the "Word Mark"), and the other for a drawing of a yellow smiling sun with sunglasses, Registration No. 5681255, registered February 19, 2019 (the "Illustration Mark" and together with the Word Mark, the "Trademarks").
4. Go Solar, LLC desired to assign the Trademarks to its affiliate, Go Solar Power, LLC.
5. On August 17, 2021, I filed an executed Trademark Assignment with the Assignment Recordation Branch of the U.S. Patent & Trademark Office, which was recorded at Reel/Frame: 7394/0508, for the purpose of recording the assignment of the Trademarks to Go Solar Power, LLC. A copy of the Notice of Recordation of Assignment Document is attached hereto as **Exhibit A.**
6. Upon receipt and review of the Notice of Recordation, I realized that Schedule 1 to the Trademark Assignment that I submitted incorrectly identified the Registration No., Filing Date, and Registration Date of the Illustration Mark as, respectively, 3919550, June 29, 2010, and February 15, 2011, rather than the actual information: Registration No. 5681255, Filing Date May 5, 2017, and Registration Date February 19, 2019. In addition, the Trademark Assignment Cover Sheet also identified the incorrect Registration Number. Copies of the Trademark

Assignment and Cover Sheet with corrections made and initialed and dated is attached hereto as Exhibit B.

7. Our client subsequently executed a corrected version of the Trademark Assignment, a copy of which is attached hereto as Exhibit C.

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.
