GRANT OF SECURITY INTEREST
IN TRADEMARKS

November 15, 2021

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, each of the entities listed on the signature pages hereto as “Grantors” (each a “Grantor” and collectively the “Grantors”), hereby grants to **WELLS FARGO BANK, NATIONAL ASSOCIATION**, as administrative agent and collateral agent for itself and certain other credit parties (in such capacity, the “Grantee”), a continuing security interest in (i) all of such Grantor’s right, title and interest in, to and under the Trademarks (as defined in the Security Agreement referred to below) owned by it, including without limitation those Trademarks set forth on Schedule A attached hereto (the foregoing, collectively the “Marks”), (ii) all proceeds and products of the Marks, (iii) the goodwill of the businesses with which the Marks are associated, and (iv) all causes of action arising prior to or after the date hereof for infringement of any of the Marks or unfair competition regarding the same. Notwithstanding the foregoing, the Trademarks shall exclude any Trademarks consisting of intent-to-use trademark applications for as long as, and to the extent that, granting an assignment therein may affect or impair the validity or enforceability of any such intent-to-use trademark applications or any registration issuing from such intent-to-use trademark applications.

THIS GRANT is made to secure the satisfactory performance and payment of all the Secured Obligations of each Grantor, as such term is defined in the Second Amended and Restated Security Agreement by, among others, the Grantors and the Grantee, dated as of October 5, 2020 (as amended, restated, supplemented or otherwise modified and in effect from time to time, the “Security Agreement”). This grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of

this grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern. This grant and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this grant and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, each of the undersigned have executed this grant as of the date above first written.
