## Trademark Assignment Agreement

This Trademark Assignment Agreement ("Agreement") is effective as of 08 November 2021 ("Effective Date") and is made by and between **Nuventra, LLC**, a limited liability company organized and existing under the laws of North Carolina, located at 2525 Meridian Parkway, Suite 200, Durham, North Carolina 27713 (the "Assignor") and **Cato Research LLC**, a limited liability company organized and existing under the laws of the State of North Carolina, located at 2000 Centregreen Way, Suite 300, Cary, North Carolina 27513 (the "Assignee").

The Assignor and Assignee may be referred to hereinafter individual as a "Party" and collectively as the "Parties".

**WHEREAS**, Assignor is the registered owner of the trademark "NUVENTRA", which was registered with the United States Patent and Trademark Office on 11 March 2014 under registration number 4537588 ("Trademark");

**WHEREAS**, the Parties entered into an Equity Purchase Agreement on 14 May 2021 whereby Assignee purchased all of Assignor's interest in and to Nuventra, LLC ("Purchase Agreement"); and

**WHEREAS**, in accordance with the Purchase Agreement, the Assignor wishes to assign and Assignee wishes to acquire all goodwill and interest in and to the Trademark.

**NOW, THEREFORE**, the Parties agree as follows:

1. For consideration paid by Assignee to Assignor under the Purchase Agreement (the receipt of which is hereby acknowledged), the Assignor does hereby assign to Assignee all rights, title, goodwill, and interests of whatever kind derived from and in connection with the Trademark. All fees for registering the change of ownership shall be paid by Assignor.
2. The Assignor represents and warrants that it is the sole proprietor of all rights, title, and interests derived from and in connection with the Trademark, and that the assignment of the Trademark from Assignor to Assignee shall not cause any infringement of property rights of any third party.
3. The Trademark is assigned in its present legal status, which is known to the Assignor. To the Assignor's best knowledge, there are no parties who are using the Trademark, own registrations or pending applications for registration of the Trademark, and there are no pending cases before the court or national authorities, which may adversely affect the Trademark.
4. The Assignor shall furnish the Assignee with all necessary information on and in connection with the Trademark, which may be required to perfect title in the Trademark in the Assignee. The Assignor shall also furnish the Assignee with the original certificates covering the Trademark.

5. The Assignor has the full authority and corporate power to make the assignment hereunder, and has obtained all necessary consents and approvals from shareholders, third parties, or governmental or regulatory bodies required to execute and perform this Agreement, in accordance with all applicable laws and regulations.
6. This Agreement embodies the entire agreement between the Parties relating to the subject matter hereof. The Parties shall not be bound by or liable for any statement, writing, representation, promise, inducement, or understanding not set forth herein.

In witness whereof, the Parties hereto have caused this Agreement to be executed by their respective duly authorized representatives as of the Effective Date.
