TERMINATION AND RELEASE OF
INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Termination and Release of Intellectual Property Security Agreement (this "Termination") dated as of November 16, 2021, is executed by **WESTERN ALLIANCE BANK**, an Arizona corporation (the "Secured Party"), and in favor of **PERFECT SENSE, INC.**, a Delaware corporation ("Grantor"). All capitalized terms used in this Termination and not otherwise defined herein, shall have the respective meanings given to such terms in the Security Agreement (defined below).

RECITALS

A. Pursuant to the Intellectual Property Security Agreement, dated as of June 24, 2019, executed by Grantor (the "Security Agreement"), Grantor granted to Secured Party a security interest in the Intellectual Property Collateral (defined below).

B. The Security Agreement was recorded with the Patent Division of the United States Patent and Trademark Office on June 24, 2019, at Reel/Frame 049571/0862, to evidence the security interest granted under the Security Agreement.

C. The Security Agreement was recorded with the Trademark Division of the United States Patent and Trademark Office on June 24, 2019, at Reel/Frame 006676/0935, to evidence the security interest granted under the Security Agreement.

D. Secured Party agrees to terminate and release its security interest in the Intellectual Property Collateral specified below.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Secured Party hereby agrees as follows:

1. The Security Agreement is hereby terminated and of no further force and effect.
2. With respect to the security interest granted to Secured Party under the Security Agreement, Secured Party expressly irrevocably terminates, cancels, discharges and releases such security interest in all right, title and interest of Grantor in any of the following (collectively, the "Intellectual Property Collateral"):
 - (a) copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held (collectively, the "Copyrights"), including the Copyrights described in **Exhibit A**;
 - (b) trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Grantor connected with and symbolized by such trademarks (collectively, the "Trademarks"), including the Trademarks described in **Exhibit B**;
 - (c) patents, patent applications and like protections including without limitation improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same (collectively, the "Patents"), including the Patents described in **Exhibit C**;
 - (d) mask work or similar rights available for the protection of semiconductor chips or other products (collectively, the "Mask Works");

(e) trade secrets, and any and all intellectual property rights in computer software and computer software products;

(f) design rights;

(g) claims for damages by way of past, present and future infringement of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(h) licenses or other rights to use any of the Copyrights, Patents, Trademarks, or Mask Works, and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) amendments, renewals and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

(j) proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

3. Secured Party represents and warrants that it has the full power and authority to execute this Termination.

4. Secured Party hereby authorizes the Grantor or its authorized representative to record or file this Termination with the United States Patent and Trademark Office, at the Grantor's sole cost and expense.

5. Secured Party hereby agrees to duly execute, acknowledge, procure and deliver any further documents and to do such other acts as may be reasonably necessary to effect the termination, release, or reassignment to the Grantor of the security interest contemplated hereby (at the Grantor's sole cost and expense).

[signature on following page]

IN WITNESS WHEREOF, Secured Party has executed and delivered this Termination as of the day and year first above written.
