PLAIN ENGLISH INTELLECTUAL PROPERTY SECURITY AGREEMENT

This is a Plain English Intellectual Property Security Agreement dated as of November 11 2021, by and between TRIPLEPOINT VENTURE GROWTH BDC CORP., a Maryland corporation (“TPVG”), in its capacity as collateral agent (in such capacity, “Collateral Agent”) for itself and Lenders (as defined below), and CASPER SLEEP INC., a Delaware corporation (the “Agreement”).

The words “We”, “Us”, or “Our”, refer to the grantee, which is Collateral Agent. The words “You” or “Your” refers to the grantor, which is CASPER SLEEP INC. and not any individual. The words “the Parties” refers to both Collateral Agent and CASPER SLEEP INC.

Reference is made to the Plain English Growth Capital Loan and Security Agreement dated as of March 1, 2019 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Loan Agreement”), by and among, You, Collateral Agent, TPVG, in its capacity as a lender, and TRIPLEPOINT CAPITAL LLC, a Delaware limited liability company, in its capacity as a lender (“TPC”; TPVG and TPC, in their respective capacities as lenders, each a “Lender” and collectively the “Lenders”). Pursuant to the Loan Agreement, You have granted to Us a lien on and a security interest in all the present and future rights, title, and interest that You may now have or hereafter acquire in all Patents, Trademarks, Copyrights, and applications for Patents, Trademarks and Copyrights.

In consideration for the mutual covenants and agreements contained in the Loan Agreement and this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

I. GRANT OF SECURITY INTEREST

You grant to Us a lien upon and continuing security interest in all of Your right, title, and interest in, to and under all of the following (all of the following items of property collectively will be referred to as the “Intellectual Property Collateral”), whether now existing or hereafter arising or acquired:

- ⇒ all Patents, Patent Licenses, and Patent applications, including specifically those listed on the attached **Schedule A**, together with any reissues, divisions, continuations, renewals, extensions and continuations thereof;
- ⇒ all Trademarks, Trademark Licenses, and trademark applications, including specifically those listed on the attached **Schedule B** together with any renewals thereof;
- ⇒ all Copyrights, Copyright Licenses, and applications for Copyrights, including specifically those listed on the attached **Schedule C**;
- ⇒ the right to sue for past, present and future infringements of the foregoing and all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof; and
- ⇒ all Proceeds.

Notwithstanding the above, the Intellectual Property Collateral excludes any U.S. intent-to-use trademark application prior to the filing and acceptance of a verified statement of use or an amendment to allege use with the United States Patent and Trademark Office with respect thereto (if any); to the extent and for so long as creation by You of a security interest thereon would result in the loss by You or any rights therein.

You represent and warrant to Us that, as of the date hereof, Schedules A, B, and C attached hereto set forth any and all intellectual property rights in connection to which You have registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable. No representation or warranty is made as to the non-US intellectual property rights set forth in Schedules A, B, and C.

You shall promptly, upon demand, reimburse and indemnify Us for all of Our costs and expenses, including reasonable attorney's fees, related to Our exercise of the above mentioned rights.

4. FURTHER ASSURANCES

Upon our reasonable request, You will from time to time execute, deliver and file, alone or with Us, any security agreements, or other documents to perfect and give priority to Our lien on the Intellectual Property Collateral. Upon our reasonable request, You will from time to time obtain any instruments or documents as We may request, and take all further action that may be reasonably necessary or desirable, or that We may reasonably request, to carry out more effectively the provisions and purposes of this Agreement or any other related agreements or to confirm, perfect, preserve and protect the liens granted to Us.

5. MODIFICATION

Notwithstanding the foregoing however, You hereby irrevocably appoint Us (and any of Our designated officers, agents or employees) as Your true and lawful attorney to modify, in Our sole discretion, this the Schedules to this Agreement without first obtaining Your approval of or signature to such modification by amending Schedules A, B, and C to this Agreement, as appropriate, to include reference to any right, title or interest in any Intellectual Property Collateral acquired by You before or after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property Collateral in which You no longer have or claim to have any right, title or interest. The appointment of Us as Your attorney in fact, and each and every one of Our rights and powers, being coupled with an interest, is irrevocable until all of the Secured Obligations have been fully repaid and performed and Our obligation to provide credit extensions to You is terminated.
