TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (“Trademark Assignment Agreement”) is made and entered into as of November 12, 2021, by and among Sequential Brands Group, Inc., a Delaware corporation, each Subsidiary of Sequential listed on the signature pages to this Agreement (collectively with Sequential, “Assignors”), and Sequential Holdco LLC, a Delaware limited liability company (the “Assignee”). Assignee and Assignors are collectively referred to as the “Parties” and individually as a “Party”.

WHEREAS, pursuant to that certain Intellectual Property Assignment and Assumption Agreement, dated as of November 12, 2021, by and between Assignee and Assignors (the “IP Agreement”), Assignors agreed to assign, sell, convey, and transfer, and desire to assign, sell, convey, and transfer all of Assignors’ right, title, and interest in and to the Trademarks (as defined below) to Assignee, and Assignee desires to receive all right, title, and interest in and to the Trademarks.

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. Definitions. Capitalized terms used in this Trademark Assignment Agreement that are not defined in the body of this Trademark Assignment Agreement have the meanings given to them in the IP Agreement.

2. Assignment. Assignors do hereby irrevocably sell, assign, transfer, convey, and deliver to Assignee, its successors and assigns, and Assignee purchases and accepts from Assignors, all of Assignors’ right, title, and interest in and to (a) the trademarks and trademark applications trademarks, service marks, trade dress, trade names, and other indicia of origin, applications and registrations for the foregoing set forth on Schedule A, and all goodwill associated therewith and symbolized thereby attached thereto (collectively, the “Trademarks”), (b) the right to apply for and obtain registrations and renewals for the Trademarks, (c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing, and (d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages. Assignors further authorize Assignee to file for and request that the United States Patent and Trademark Office, any successor offices thereto or any other corresponding bodies in each of the other countries, territories and jurisdictions of the world issue any and all trademarks, service marks, trade dress, trade names, and other indicia of origin resulting from the Trademarks to Assignee.

3. Governing Law. This Trademark Assignment Agreement shall be construed in accordance with the domestic Laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York.

4. No Conflict. Nothing in this Trademark Assignment Agreement shall alter any liability or obligation of the parties hereto arising under the Purchase Agreement. In the event of a conflict between the terms and conditions of this Trademark Assignment Agreement and the terms and conditions of the Purchase Agreement, the terms and conditions of the Purchase Agreement shall govern. Assignee acknowledges that Assignors make no representation or warranty with respect to the Trademarks, except as specifically set forth in the Purchase Agreement.

5. No Modifications. This Trademark Assignment Agreement may not be supplemented, altered or modified in any manner except by a writing signed by both Parties.

6. Successors and Assigns. This Trademark Assignment Agreement shall bind and shall inure to the benefit of the respective parties and their assigns, transferees, and successors.

7. Counterparts. This Trademark Assignment Agreement may be executed in one or more counterparts, each of which shall be deemed an original but both of which together will constitute one and the same instrument.
