This TRADEMARK ASSIGNMENT AGREEMENT ("**Agreement**") dated November 22, 2021 is entered into by and between Berol Corporation ("**Assignor**") and Sanford, L.P. ("**Assignee**").

For good and valuable consideration of which receipt is acknowledged, intending to be legally bound, the parties hereto agree as follows:

1. Effective as of the date hereof, Assignor hereby sells, conveys, assigns, transfers and delivers to Assignee, and Assignee hereby purchases, acquires and accepts from Assignor, all of Assignor's right, title and interest in, to and under U.S. Trademark Registration No. 0591188 for the mark BLACK WARRIOR (such trademark registration referred to herein as the "**Transferred Trademark**"), including (i) any and all goodwill associated therewith, (ii) all common law rights therein and in any elements of thereof, including underlying word marks and design components, in each case to the extent permitted under applicable law, (iii) all rights therein provided by international treaties or conventions, (iv) all reissues, extensions and renewals of any of the foregoing and (v) all rights to sue and recover damages for past, present and future infringement or other violation thereof or conflict therewith.

2. Assignor hereby authorizes Assignee to request, and hereby requests, the Commissioner of Trademarks of the United States and any other official of any applicable governmental authority to record and issue any and the trademark registration for the Transferred Trademark to and in the name of Assignee.

3. The parties agree (i) to furnish upon request to each other such further information, (ii) to execute and deliver to each other such other documents, and (iii) to do such other acts and things, all as the other party may reasonably request for the purpose of carrying out the intent of this Agreement and the transactions contemplated by this Agreement.

4. This Agreement shall be binding upon and inure to the benefit of and be enforceable by Assignee and Assignor and their respective successors and permitted assigns. This Agreement is not intended to, and shall not be construed to, confer upon any person, other than Assignor and Assignee, any rights or remedies hereunder.

5. This Agreement will be exclusively governed by and construed and enforced in accordance with the internal laws of the State of Delaware, without giving effect to any law or rule that would cause the laws of any jurisdiction other than the State of Delaware to be applied.

6. No waiver, modification or change of any of the provisions of this Agreement shall be valid unless in writing and signed by the party against whom such claimed waiver, modification or change is sought to be enforced.

7. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. Facsimiles, e-mail transmission of .pdf signatures or other electronic copies of signatures shall be deemed to be original.
