DECLARATION

WHEREAS, this Declaration is made pursuant to the Notice dated November 22, 2021, Document ID: 900652857, a copy of which is provided herewith, together with the associated documents submitted on October 28, 2021.

WHEREAS, the undersigned, on behalf of Chemtrade Solutions LLC (“Chemtrade”), states the following regarding lien termination in accordance with the terms of the Trademark Security Agreement (“Agreement”) dated April 11, 1986, recorded in the United States Patent and Trademark Office at Reel 0534 and Frame 0072 (“recordation”) on August 1, 1986, a copy of which is appended hereto as Exhibit A.

Pursuant to the Agreement, Reheis Chemical Company, Inc. (“Reheis”), a predecessor-in-interest to Chemtrade, granted a security interest to State Street Bank and Trust Company (the “Bank”) in all Reheis’ right, title and interest in and to the Marks (as defined in the Agreement), including the Trademarks listed on Exhibit B hereto, and the registration thereof, together with the goodwill of the business connected with and symbolized by such Marks, as well as all rights to

damages or profits due or accrued arising out of past infringement of such Marks or injury to such goodwill, together with the right to sue or recover the same in the Bank's name (collectively, the "Released Marks").

In accordance with the terms of the Agreement, "[u]pon satisfaction in full by the Debtor [Reheis] of all obligations, the rights granted hereunder to the Secured Party [the Bank] shall terminate."

In view of the fact that the security interest was granted to the Bank approximately thirty-five years ago, and subsequent thereto, multiple successor entities have granted like security interests in the Released Marks and received full releases thereof without reference to the Bank, Chemtrade hereby declares, to its knowledge and on information and belief, after due and reasonable inquiry and investigation concerning the matter, that all of Reheis' obligations to the Bank created by the Agreement have been satisfied and the Bank's security interest in all Reheis' right, title and interest in and to the Released Marks is released, discharged, cancelled, and terminated. Due to unknown reasons, such release was not filed with the United States Patent and Trademark Office.

I, the undersigned, declare that, to the best of my knowledge and belief, the information herein is true and complete. I understand this statement is made for use as evidence in court and is subject to penalty for perjury.

IN WITNESS WHEREOF, Chemtrade causes this Declaration to be executed on its behalf.

DECLARATION

WHEREAS, the undersigned, on behalf of Chemtrade Solutions LLC ("Chemtrade"), states the following regarding lien termination in accordance with the terms of the Trademark Security Agreement ("Agreement") dated April 11, 1986, recorded in the United States Patent and Trademark Office at Reel 0534 and Frame 0072 ("recordation") on August 1, 1986, a copy of which is appended hereto as Exhibit A.

Pursuant to the Agreement, Reheis Chemical Company, Inc. ("Reheis"), a predecessor-in-interest to Chemtrade, granted a security interest to State Street Bank and Trust Company (the "Bank") in all Reheis' right, title and interest in and to the Marks (as defined in the Agreement), including the Trademarks listed on Exhibit B hereto, and the registration thereof, together with the goodwill of the business connected with and symbolized by such Marks, as well as all rights to damages or profits due or accrued arising out of past infringement of such Marks or injury to such goodwill, together with the right to sue or recover the same in the Bank's name (collectively, the "Released Marks").

In accordance with the terms of the Agreement, “[u]pon satisfaction in full by the Debtor [Reheis] of all obligations, the rights granted hereunder to the Secured Party [the Bank] shall terminate.”

In view of the fact that the security interest was granted to the Bank approximately thirty-five years ago, and subsequent thereto, multiple successor entities have granted like security interests in the Released Marks and received full releases thereof without reference to the Bank, Chemtrade hereby declares, to its knowledge and on information and belief, after due and reasonable inquiry and investigation concerning the matter, that all of Reheis’ obligations to the Bank created by the Agreement have been satisfied and the Bank’s security interest in all Reheis’ right, title and interest in and to the Released Marks released, discharged, cancelled, and terminated. Due to unknown reasons, such release was not filed with the United States Patent and Trademark Office.

The undersigned, being hereby advised that willful false statement and the like so made are punishable by fine or imprisonment, or both, under 18 U. S. C. 1001, declares that the facts set forth in this Declaration are true; all statements made of Chemtrade’s knowledge are true; and all statements made on information and belief are believed to be true.

IN WITNESS WHEREOF, Chemtrade causes this Declaration to be executed on its behalf.
