**DECLARATION**

WHEREAS, this Declaration is made pursuant to the Notice dated November 22, 2021, Document ID: 900652856, a copy of which is provided herewith, together with the associated documents submitted on October 28, 2021.

WHEREAS, the undersigned, on behalf of Chemtrade Solutions LLC (“Chemtrade”), states the following regarding lien termination in accordance with the terms of the Glenfed Financial Corporation’s Security Interest in Trademarks (“Agreement”) dated April 11, 1986, recorded in the United States Patent and Trademark Office at Reel 0526 and Frame 0724 (“recording”) on May 9, 1986, a copy of which is appended hereto as Exhibit A.

Pursuant to the Agreement, Reheis Chemical Company, Inc. (“Reheis”), a predecessor-in-interest to Chemtrade, created in favor of, and granted to, Glenfed Financial Corporation (“the Bank”), its successors, legal representatives, and assigns a security interest in, to and under the Trademarks (as defined in the Agreement), including the trademarks listed on Exhibit B hereto,

and all applications for registration, registrations and renewals thereof (collectively, the "Released Marks").

In accordance with the terms of the Agreement, "upon payment by RCC [Reheis] of all sums due in respect of the Obligations. . . Glenfed [the Bank], its successors, legal representatives and assigns will execute such instruments evidencing discharge of the security interest created pursuant to the Loan Agreement and hereunder as RCC [Reheis] may reasonably request in order to record discharge of said security interest."

In view of the fact that the security interest was granted to the Bank approximately thirty-five years ago, and subsequent thereto, multiple successor entities have granted like security interests in the Released Marks and received full releases thereof without reference to the Bank, Chemtrade hereby declares, to its knowledge and on information and belief, after due and reasonable inquiry and investigation concerning the matter, that all of Reheis' obligations to the Bank created by the Agreement have been fulfilled and all sums due have been paid, and the Bank's security interest in, to and under the Released Marks released, discharged, cancelled, and terminated. Due to unknown reasons, such release was not filed with the United States Patent and Trademark Office.

I, the undersigned, declare that, to the best of my knowledge and belief, the information herein is true and complete. I understand this statement is made for use as evidence in court and is subject to penalty for perjury.

IN WITNESS WHEREOF, Chemtrade causes this Declaration to be executed on its behalf.

**DECLARATION**

WHEREAS, the undersigned, on behalf of Chemtrade Solutions LLC ("Chemtrade"), states the following regarding lien termination in accordance with the terms of the Glenfed Financial Corporation's Security Interest in Trademarks ("Agreement") dated April 11, 1986, recorded in the United States Patent and Trademark Office at Reel 0526 and Frame 0724 ("recordation") on May 9, 1986, a copy of which is appended hereto as Exhibit A.

Pursuant to the Agreement, Reheis Chemical Company, Inc. ("Reheis"), a predecessor-in-interest to Chemtrade, created in favor of, and granted to, Glenfed Financial Corporation ("the Bank"), its successors, legal representatives, and assigns a security interest in, to and under the Trademarks (as defined in the Agreement), including the trademarks listed on Exhibit B hereto, and all applications for registration, registrations and renewals thereof (collectively, the "Released Marks").

In accordance with the terms of the Agreement, "upon payment by RCC [Reheis] of all sums due in respect of the Obligations... Glenfed [the Bank], its successors, legal representatives

and assigns will execute such instruments evidencing discharge of the security interest created pursuant to the Loan Agreement and hereunder as RCC [Reheis] may reasonably request in order to record discharge of said security interest.”

In view of the fact that the security interest was granted to the Bank approximately thirty-five years ago, and subsequent thereto, multiple successor entities have granted like security interests in the Released Marks and received full releases thereof without reference to the Bank, Chemtrade hereby declares, to its knowledge and on information and belief, after due and reasonable inquiry and investigation concerning the matter, that all of Reheis’ obligations to the Bank created by the Agreement have been fulfilled and all sums due have been paid, and the Bank’s security interest in, to and under the Released Marks released, discharged, cancelled, and terminated. Due to unknown reasons, such release was not filed with the United States Patent and Trademark Office.

The undersigned, being hereby advised that willful false statement and the like so made are punishable by fine or imprisonment, or both, under 18 U. S. C. 1001, declares that the facts set forth in this Declaration are true; all statements made of Chemtrade’s knowledge are true; and all statements made on information and belief are believed to be true.

IN WITNESS WHEREOF, Chemtrade causes this Declaration to be executed on its behalf.
