GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (this "Agreement"), dated as of October 20, 2021, is made by each of the undersigned (each, a "Grantor"), in favor of Citibank, N.A., as collateral agent (in such capacity, together with its successors and assigns, the "Collateral Agent") for the several banks and other financial institutions (the "Lenders") from time to time parties to the Credit Agreement, dated as of October 20, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Mirion Technologies (HoldingSub2), Ltd., a limited liability company incorporated in England and Wales with company number 09299632 ("Holdings"), Mirion Technologies (US Holdings), Inc., a Delaware corporation (the "Parent Borrower"), Mirion Technologies (US), Inc., a Delaware corporation (the "Subsidiary Borrower" and, together with the Parent Borrower and any Additional Borrowers, the "Borrowers"), the Lenders from time to time party thereto and Citibank, N.A., as the Administrative Agent, the Collateral Agent and a Letter of Credit Issuer.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make loans to the Borrowers and the Letter of Credit Issuers have agreed to issue Letters of Credit for the account of the Borrowers and the other Restricted Subsidiaries, and one or more Lenders or Affiliates of Lenders may enter into (x) Secured Cash Management Agreements with Holdings, the Parent Borrower and/or their Restricted Subsidiaries or (y) Secured Hedge Agreements with the Holdings, the Parent Borrower and/or their Restricted Subsidiaries;

WHEREAS, in connection with the Credit Agreement, each Grantor and any Subsidiaries that become a party thereto, have executed and delivered a Security Agreement, dated as of October 20, 2021 in favor of the Collateral Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, each Grantor has pledged and granted to the Collateral Agent for the benefit of the Collateral Agent and the Secured Parties continuing security interest in all of its Intellectual Property, including each of its Trademarks that is not Excluded Property; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make loans and the Letter of Credit Issuers to issue Letters of Credit for the account of the Borrowers and the other Restricted Subsidiaries, and to induce one or more Lenders or Affiliates of Lenders to enter into (x) Secured Cash Management Agreements with Holdings, the Parent Borrower and/or their Restricted Subsidiaries or (y) Secured Hedge Agreements with the Holdings, the Parent Borrower and/or their Restricted Subsidiaries, Grantor agrees, for the benefit of the Collateral Agent and the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement, as applicable.

2. Grant of Security Interest. Grantor hereby grants a security interest in all of Grantor's right, title and interest in, to and under its owned Trademarks (including, without limitation, those items listed on Schedule A hereto), including the goodwill associated with such Trademarks and all Proceeds of any and all of the foregoing, in each case except to the extent constituting Excluded Property (collectively, the "Collateral"), to the Collateral Agent for the benefit of the Secured Parties as collateral security for payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations; provided that, applications in the United States Patent and Trademark Office to register trademarks or service marks on the basis of Grantor's "intent to use" such trademarks or service marks will not be deemed to be Collateral unless and until the grant of a security interest therein would not impair the validity or enforceability of such intent-to-

use trademark application under applicable federal law, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

3. Purpose. This Agreement has been executed and delivered by Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent and the other Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

6. Governing Law: This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
