TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 15th day of October, 2021, among Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and BANK OF AMERICA, N.A. ("Bank of America"), in its capacity as Administrative Agent for the Finance Parties (together with its successors, "Administrative Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of October 15, 2021 (as amended, modified, supplemented, increased, extended, restated, refinanced and replaced from time to time, the "Credit Agreement") by and among ALLTECH, INC., a Kentucky corporation (the "Company"), LYONSALL LLC Y CIA, SOCIEDAD EN COMANDITA, a company duly incorporated and validly existing under the laws of Spain as a limited partnership (sociedad comanditaria), with domicile at Calle Arturo Soria, 263B, Madrid, Spain 28033, registered with the Commercial Registry of Madrid under volume 20788, book 0, sheet 82, section 8, page M-368378, and with Tax ID Code (CIF) D-84/215433, MASTERFEEDS INC., a British Columbia company, the Designated Borrowers identified therein, the Lenders identified therein and the Administrative Agent, the Lenders are willing to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof;

WHEREAS, Grantors have entered into the Security Agreement in order to induce the Finance Parties to make certain financial accommodations to Borrowers and the other Grantors pursuant to the Credit Agreement and the other Loan Documents; and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Administrative Agent, for the benefit of the Finance Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used herein (including in the preamble and recitals hereto) but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement.

7. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Administrative Agent, for the benefit of the Finance Parties, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following (in each case, to the extent not constituting Excluded Property), whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

- (a) all of such Grantor's Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I hereto;
- (b) all renewals of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(d) all products and proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Intellectual Property License.

8. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all the Obligations, whether now existing or arising hereafter.

9. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Administrative Agent, for the benefit of the Finance Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

10. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give notice in writing to Administrative Agent within such time limit set forth in the Security Agreement with respect to any such new trademarks for which such Grantor files an application for registration with the United States Patent and Trademark Office or the renewal or extension of any trademark registration. Without limiting Grantors' obligations under this Section 5, Grantors hereby authorize Administrative Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Administrative Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

11. COUNTERPARTS; ELECTRONIC EXECUTION. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or other electronic transmission shall be deemed an original signature hereto. This Trademark Security Agreement may be in the form of an Electronic Record and may be executed using Electronic Signatures, which shall be considered as originals and shall have the same legal effect, validity and enforceability as a paper record. This Trademark Security Agreement may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts shall be one and the same Trademark Security Agreement. For the avoidance of doubt, the authorization under this Section 6 may include, without limitation, use or acceptance by the Administrative Agent of a manually signed Trademark Security Agreement which has been converted into electronic form (such as scanned into ".pdf" format), or an electronically signed Trademark Security Agreement converted into another format, for transmission, delivery and/or retention.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
