This Assignment of Trademark Property ("Assignment") is entered into as of December 1, 2021, by and between Renova Energy Corporation, a California corporation, ("Assignor"), and the Vincent Battaglia Revocable Trust, a Trust organized under the laws of California ("Assignee"). The parties to this Assignment are each referred to herein as "Party" or collectively as the "Parties."

WHEREAS Assignor owns all rights, title, and interests in and to the trademarks, trademark registrations, and pending trademark applications set forth in Attachment A hereto, including all common law rights (collectively referred to herein as the "Trademark Property");

WHEREAS Assignor desires to sell, grant, convey, assign, transfer and deliver to Assignee all rights, title, and interests in and to the Trademark Property; and

WHEREAS Assignee desires to accept the assignment of all rights, title and interests in and to the Trademark Property, including all the goodwill associated with the use of the Trademark Property, and all other rights, including common-law rights, relating to the Trademark Property to the extent such rights exist.

Those rights include all claims for royalties for licensing of the Trademark and damages by reason of past infringements of the Trademark Property, with the right to sue for and collect the same, the rights to sue, seek and obtain injunctive relief and to recover damages for past, present and future infringement, misappropriation, dilution and other violation of the Trademark Property, all for its own use and benefit, and for the use, benefit and on behalf of its successors, assigns, and other legal representatives,.
2. Further Assistance. At the expense of each Party, from time to time, if necessary, each of the Parties hereto shall execute and deliver all such further assignments or other instruments of conveyance and transfer as the other Party may reasonably request to accomplish and record this Assignment.
3. Authorization. Assignor authorizes the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable country outside the United States, to
