RELEASE OF SECURITY INTEREST
IN TRADEMARKS

This RELEASE OF SECURITY INTEREST IN TRADEMARKS (the "Release"), dated as of November 17, 2021, is made by JPMORGAN CHASE BANK, N.A., as lender and in its capacity as Administrative Agent ("JPMorgan"), in favor of the grantors listed on Schedule 1 hereto (collectively, the "Grantors"). Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Credit Agreement or the Trademark Security Agreement (as those terms are defined below).

WHEREAS, JPMorgan, Altra Industrial Motion Corp. and certain of its subsidiaries, including the Grantors, are parties to (i) a Credit Agreement dated as of October 1, 2018, and (ii) a Guarantee and Collateral Agreement dated as of October 1, 2018 (each as amended, amended and restated, supplemented or otherwise modified from time to time, (i) the "Credit Agreement," and (ii) the Guarantee and Collateral Agreement, respectively);

WHEREAS, JPMorgan and the Grantors are parties to a Trademark Security Agreement dated as of October 1, 2018 recorded with the USPTO at Reel/Frame 6660/0538 (the "Trademark Security Agreement");

WHEREAS, pursuant to the Trademark Security Agreement, each Grantor pledged to JPMorgan, for the benefit of the Secured Parties, a security interest (referred to in this Release as the "Security Interest") in such Grantor's right, title and interest in, to and under (collectively, the "Trademark Collateral"):

- (a) all of its Trademarks, including those referred to on Schedule 1 hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark;
and
- (d) all Proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any such Trademark or (ii) injury to the goodwill associated with any such Trademark; provided that no security interest shall be granted in any United States "intent to use" trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such "intent to use" trademark applications under applicable federal law; provided further that "Trademark Collateral" shall include any Proceeds of any such "intent to use" trademark applications.

WHEREAS, JPMorgan has agreed to terminate and release all of its and the Secured Parties' right, title and interest in or to the Trademark Collateral listed on Schedule 1 below, including the Security Interest.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Release of Lien. JPMorgan, on behalf of the Secured Parties, hereby terminates, extinguishes, cancels, releases and discharges any and all right, title and interest, including the Security Interest, in and to the Trademark Collateral listed on Schedule 1 arising in connection with the Credit Agreement, the Guarantee and Collateral Agreement, or the Trademark Security Agreement and assigns, discharges, quit

claims and relinquishes unto the Grantors (in each case without recourse and without any representation or warranty) any and all right, title and interest it has in and to the Trademark Collateral listed on Schedule 1.

2. Further Assurances. JPMorgan shall take all further actions, and provide to the Grantors and their successors, assigns or other legal representatives, such cooperation and assistance (including, without limitation, the execution and delivery of any documents or other instruments), reasonably requested by the Grantors, and at Grantors' cost and expense, to more fully and effectively effectuate the release of liens contemplated hereby.

3. Governing Law. This Release shall be construed in accordance with and governed by the laws of the State of New York, without regard to principles of conflicts of laws requiring application of the law of any other jurisdiction.

[Signature page follows]

IN WITNESS WHEREOF, JPMorgan has caused this Release to be executed and delivered by its duly authorized officer as of the date first above written.
