## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Trademark Assignment") is made effective as of November 2, 2021, by and between AUTOANYTHING, INC., a Delaware corporation ("Assignor"), and AUTOANYTHING (ABC), LLC, a California limited liability company, as Assignee for the Benefit of Creditors of the Assignor ("Assignee"), pursuant to that certain General Assignment Agreement dated as of November 2, 2021, (the "Assignment Agreement"). Capitalized terms used without definitions herein shall have the meanings ascribed to such terms in the Assignment Agreement.

WHEREAS, Assignor has agreed to sell to Assignee, and Assignee has agreed to acquire from Assignor, all of Assignor's rights, title and interest in and to the trademarks and/or service marks identified in Schedule A attached hereto (the "Marks"); and

WHEREAS, the parties accordingly wish to execute this recordable instrument, assigning all of Assignor's right, title, and interest in and to the Marks to Assignee;

NOW, THEREFORE, for valuable consideration set forth in the Assignment Agreement, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby assigns, transfers, and conveys to Assignee all of its right, title, and interest in and to the Marks, including without limitation any and all registrations, applications, and/or common law rights for the Marks throughout the world, together with all of the goodwill of Assignor's business symbolized by or associated with the Marks, and any and all income, royalties, damages, and payments now or hereafter due and/or payable with respect thereto including, without limitation, damages and payments for past, present, or future infringements.

2. Assignor hereby authorizes Assignee to request the applicable governmental offices to record Assignee as the assignee and owner of the Marks and hereby consents to such recordation.

3. Assignor will, without further consideration, comply with any reasonable request by Assignee, at Assignee's expense, to undertake any acts or execute and deliver promptly any additional documents and other instruments as may be reasonably necessary or desirable in order to render effective the consummation of the transactions contemplated by this Assignment and the recordation of Assignee as the assignee and owner of the Marks.

4. This Trademark Assignment is subject to the terms and conditions of the Assignment Agreement and shall not be deemed to limit, enlarge, or extinguish any obligation of Assignor or Assignee under the Assignment Agreement, all of which obligations shall survive the delivery of this Trademark Assignment in accordance with the terms of the Assignment Agreement, and that to the extent there is any conflict between this Trademark Assignment and the terms and conditions of the Assignment Agreement, the Assignment Agreement shall control.

5. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Trademark Assignment by facsimile, email, or other electronic transfer shall be effective as delivery of a manually executed counterpart to this Trademark Assignment.
