WHEREAS, Grantor has entered into that certain Credit Agreement with the Administrative Agent, the lenders from time to time party thereto (collectively, the “Lenders”; and together with the Administrative Agent, collectively, the “Secured Parties”), dated as of the date hereof (as amended from time to time and as the same may be further amended, amended and restated, extended, replaced, supplemented or otherwise modified, the “Credit Agreement”);

WHEREAS, under the terms of the Credit Agreement and the other Loan Documents, Grantor has granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, among other property, all Intellectual Property (as defined in the Security Agreement) of Grantor, and has agreed as a condition thereof to execute this Agreement for recording with the United States Patent and Trademark Office and/or the United States Copyright Office, as applicable.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

- (iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals, and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of Grantor accruing thereunder or pertaining thereto;
- (v) any and all claims for damages and injunctive relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or injury with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and
- (vi) any and all products and proceeds of, income, royalties, and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, or arising from any of the foregoing.

This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g., “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement and shall be fully admissible in any enforcement proceedings regarding this Agreement.

SECTION 5. **Grants, Rights and Remedies**. This Agreement has been entered into in conjunction with the provisions of the Credit Agreement and the other Loan Documents. Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent with respect to the Collateral are more fully set forth in the Credit Agreement and the other Loan Documents, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.
