WHEREAS, pursuant to the Senior Secured Super-Priority Debtor-In-Possession Loan and Security Agreement, dated as of December 10, 2021 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "DIP Credit Agreement"), among the Borrowers party thereto, the other subsidiary guarantors party thereto, the Lenders party thereto and Agent, the Lenders have agreed to make Loans to the Borrowers upon the terms and subject to the conditions set forth therein; and

WHEREAS, the Grantors are party to the DIP Credit Agreement pursuant to which the Grantors have granted to the Agent a security interest in all of their Intellectual Property, including the Trademark registrations listed on Schedule A hereto.;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantors agree, for the benefit of Agent, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement have the meanings provided or provided by reference in the DIP Credit Agreement.

2. Grant of Security Interest. Each Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, hereby mortgages, pledges and hypothecates to the Agent for the benefit of the Lenders, and grants to the Agent for the benefit of the Lenders, a continuing security interest in and Lien upon all of its right, title and interest in, to and under the Trademarks of such Grantor, including, without limitation, those registrations referenced on Schedule A hereto (the "Trademark Collateral").

3. Purpose. This Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to Agent in connection with the DIP Credit Agreement and is expressly subject to the terms and conditions thereof. The provisions of the DIP Credit Agreement shall supersede and control over any conflicting or inconsistent provision herein. The DIP Credit Agreement (and all rights and remedies of Agent thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. The Grantors do hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the security interest in the Collateral granted hereby are more fully set forth in the DIP Credit Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the DIP Credit Agreement, the terms of the DIP Credit Agreement shall govern.

5. Recordation. Grantors authorize the Commissioner for Trademarks in the United States Patent and Trademark Office to record this Agreement upon request by the Agent.

6. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together constitute one and the same original.

7. Governing Law. This Agreement and all claims shall be governed by the laws of the State of New York, without giving effect to any conflict of law principles except federal laws relating to national banks.
