This Agreement is made for collateral purposes only. Loan Parties acknowledge and agree that upon the occurrence and during the continuation of an Event of Default, and upon written notice to Loan Parties, the Intellectual Property Collateral shall be immediately conveyed to Lender without any further action by any party, and Lender shall have the power to use and/or sell the Intellectual Property Collateral. Loan Parties covenant and agree to execute and deliver to Lender all agreements, instruments, documents and other written matter that Lender may reasonably request, in form and substance reasonably acceptable to Lender, to perfect and maintain perfected Lender's security interests and lien in and to the Intellectual Property Collateral and to consummate the transactions contemplated by this Section 2.

The Lender and Loan Parties acknowledge and agree that while the grant of a security interest set forth above shall encompass all registered and non-registered Intellectual Property Collateral, the Exhibits attached hereto shall only list the registered Trademarks, Patents and Copyrights owned by each Loan Party. Upon Lender's written request, in its commercially reasonable discretion, Loan Parties shall provide a detailed list of all non-registered Intellectual Property and do any and all acts and execute any and all instruments, documents and agreements reasonably required by Lender to further evidence or perfect Lender's security interest in the non-registered Intellectual Property Collateral.

3. Restrictions on Future Agreements.

A. Loan Parties agree that until the Obligations shall have been paid in full in cash and the Loan Documents have been terminated, Loan Parties will not, without Lender's prior written consent, enter into any document, instrument or agreement which is inconsistent with Loan Parties' obligations under this Agreement. Loan Parties further agree that they will not take any action, or permit any action to be taken by others subject to their control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights transferred to Lender under this Agreement. Notwithstanding the foregoing provisions of this Section 3.A. and provided no Event

of Default then exists, Loan Parties may license or sublicense on an exclusive or non-exclusive basis any Intellectual Property Collateral on an arm's length basis to the extent such license or sublicense shall not materially and adversely interfere with the Loan Parties' business, operations or value.

B. Each Loan Party hereby represents and warrants to Lender that other than exclusive or non-exclusive licensing of the Intellectual Property Collateral permitted in Section 3.A. above, such Loan Party has not granted any license or security interest to any Person other than Lender in connection with any of the Intellectual Property Collateral. Except as permitted in Section 3.A., each Loan Party hereby covenants unto Lender that until the Obligations shall have been indefeasibly paid and satisfied in full and the Loan Documents have been terminated, such Loan Party shall not grant any license or security interest to any third party in connection with the Intellectual Property Collateral without Lender's prior written consent.

4. **New Trademarks, Patents, Copyrights and Licenses.** Each Loan Party represents and warrants that the Trademarks, Patents, Copyrights and Licenses listed on Exhibits "A", "B", and "C" respectively constitute all of the registered trademarks, trademark registrations, registered patents, patent registrations, registered copyrights, and applications therefor now owned by such Loan Party. If, prior to payment of the Obligations in full, such Loan Party shall (i) obtain rights to any new registered Intellectual Property, or (ii) become entitled to the benefit of any registered Intellectual Property, the provisions of Section 2 above shall automatically apply thereto and such Loan Party shall provide Lender with immediate notice thereof. Loan Parties hereby authorize Lender to modify this Agreement by amending Exhibits "A", "B", and "C" to include any future registered Intellectual Property.

5. **Royalties; Terms.** Each Loan Party hereby agrees that the use by Lender of all Intellectual Property Collateral during the continuance of an Event of Default as described above shall be without any liability for royalties or other related charges from Lender to Loan Parties. The term of the assignments granted herein shall extend until the earlier of (i) the expiration of each of the respective Trademarks, Patents, Copyrights and Licenses assigned hereunder, or (ii) the payment to Lender of the Obligations in full and the termination of the Loan Documents.

6. **Lender's Right to Inspect.** Lender shall have the right to inspect Loan Parties' premises and to examine Loan Parties' books, records and operations, including, without limitation, Loan Parties' quality control processes during regular business hours after reasonable notice to such Loan Party has been delivered by the Lender, in each case in accordance with the terms and conditions of the Loan Agreement. Upon the occurrence and during the continuation of an Event of Default, Loan Parties agree that Lender shall have the right to establish such additional product quality controls as Lender, in its sole discretion, may deem necessary to assure maintenance of the quality of products sold by Loan Parties under the Trademarks, Patents, Copyrights or Licenses.

7. **Nature and Termination of Lender's Security Interest.** This Agreement is made for collateral purposes only. Except as otherwise provided in Sections 3, 6 and 13 hereof, nothing contained herein shall be deemed to limit in any way Loan Parties' right to use the Trademarks, Patents, Copyrights or Licenses or to grant to Lender any right to use the Trademarks, Patents, Copyrights or Licenses prior to an Event of Default.

8. **Duties of Loan Parties.** Loan Parties shall have the duty (i) to prosecute diligently any trademark, patent and copyright registration pending as of the date hereof or at any time hereafter, until the Obligations shall have been paid in full, (ii) to make applications for trademarks, patents and copyrights, as appropriate and consistent with past business practices, and (iii) to preserve and maintain all Intellectual Property Collateral. Any expenses incurred in connection with such applications shall be borne by Loan Parties. Loan Parties shall not abandon any Intellectual Property Collateral, without the consent of Lender.

9. **Lender's Right to Sue.** Upon the occurrence and during the continuation of an Event of Default, Lender shall have the right, but shall in no way be obligated, to bring suit in its own name or in the name of a Loan Party to enforce the Trademarks, Patents, Copyrights and Licenses. If Lender shall commence any such suit, Loan Parties shall, at the request of Lender, do any and all acts and execute any and all instruments, documents and agreements required by Lender to enforce such Intellectual Property Collateral, and Loan Parties shall promptly, upon demand, reimburse and indemnify Lender for all costs and expenses incurred by Lender in the exercise of its rights and remedies under this Section 9.

10. **Waivers.** Lender's failure at any time or times hereafter to require strict performance by Loan Parties of any provision of this Agreement shall not waive, affect or diminish any right of Lender thereafter to demand strict compliance and performance therewith. Any suspension or waiver by Lender of an Event of Default shall not suspend, waive or affect any other Event of Default, whether same is prior or subsequent thereto and whether of the same or a different type. None of the undertakings, agreements, warranties, covenants and representations of Loan Parties contained in this Agreement and no Event of Default by Loan Parties shall be deemed to have been suspended or waived by Lender unless such suspension or waiver is in writing signed by officers of Lender and directed to Loan Parties specifying such suspension or waiver.

11. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

12. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 4 hereof or by a writing signed by the parties hereto.

13. **Cumulative Remedies; Power of Attorney; Effect on Loan Agreement.** All of Lender's rights and remedies with respect to the Intellectual Property Collateral, whether established hereby, by the Loan Documents, by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Loan Party hereby authorizes Lender to make, constitute and appoint any officer or agent of Lender as such Loan Party's true and lawful attorney-in-fact, with power, upon the occurrence and during the continuation of an Event of Default and commencement by Lender of any of its rights and remedies whatsoever, whether pursuant to this Agreement, the Loan Documents, at law, in equity or otherwise, to (a) endorse such Loan Party's name on all applications, documents, papers and instruments necessary or desirable for Lender in connection with selling the Intellectual Property Collateral, (b) take any other actions with respect to the Intellectual Property Collateral as Lender decides in its sole and absolute discretion, (c) assign, pledge, sell, convey or otherwise transfer title in or dispose of the Intellectual Property Collateral to any person or entity as Lender may determine in its discretion, and (d) grant or issue any non-exclusive license under the Intellectual Property Collateral, to any person or entity. Each Loan Party agrees to indemnify Lender for any infringement claims or other similar claims filed or asserted against Lender from the use of any of the Intellectual Property Collateral. Loan Parties hereby ratify all actions that attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been paid in full and all financing arrangements between Loan Parties or any Loan Party and Lender have been terminated. Loan Parties acknowledge and agree that this Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Loan Documents, at law or in equity, but rather is in addition to and intended to facilitate the exercise of such rights and remedies.

14. **Binding Effect; Benefits.** This Agreement shall be binding upon Loan Parties and their respective successors and assigns, and shall inure to the benefit of Lender, its nominees, successors and assigns.

15. **Notice.** Any and all notices, exercises, demands, requests, consents, designations, waivers and other communications required or desired hereunder shall be delivered to the parties hereto at their addresses set forth in the Loan Agreement and shall be effective as set forth in the Loan Agreement.

16. **Governing Law.** This Agreement shall be deemed to have been executed and delivered in Chicago, Illinois, and shall be governed by and construed in accordance with the internal laws (as opposed to conflicts of law provisions) of the State of Illinois.

17. **Joint and Several.** All references to “Loan Parties” and “Loan Party” shall mean Rainbow, RPS and Global Properties, both individually and collectively, and jointly and severally, and all representations, warranties, duties, covenants, agreements and obligations of Loan Parties shall be the individual and collective representations, warranties, duties, covenants, agreements and obligations of each of Rainbow, RPS and Global Properties.
