**TRADEMARK ASSIGNMENT**

**THIS TRADEMARK ASSIGNMENT** (the “**Trademark Assignment**”) is made as of November 23, 2021 (the “**Effective Date**”), by and between FourbyFour, Inc., a Delaware corporation (“**Seller**”), and AutoAnything Brands, LLC, a Delaware limited liability company formerly known as “AA-M4 Acquisition Company, LLC” (“**Purchaser**”). Seller and Purchaser are parties to a certain Intellectual Property Purchase Agreement dated on or about the date hereof (the “**Purchase Agreement**”). Capitalized terms used without definitions herein shall have the meanings ascribed to such terms in the Purchase Agreement.

**WHEREAS**, Seller has agreed to sell to Purchaser, and Purchaser has agreed to acquire from Seller, all of Seller’s rights, title, and interest in and to the trademarks and/or service marks identified in Schedule A attached hereto (the “**Marks**”); and

**WHEREAS**, the parties accordingly wish to execute this recordable instrument, assigning all of Seller’s right, title, and interest in and to the Marks to Purchaser;

**NOW, THEREFORE**, for valuable consideration set forth in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, Seller and Purchaser agree as follows:

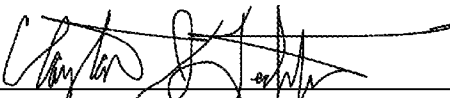

1. Seller hereby assigns, transfers, and conveys to Purchaser as of the Effective Date all of its right, title, and interest in and to the Marks, including without limitation any and all registrations, applications, and/or common law rights for the Marks throughout the world, together with all of the goodwill of Seller’s business symbolized by or associated with the Marks, and any and all income, royalties, damages, and payments now or hereafter due and/or payable with respect thereto including, without limitation, damages and payments for past, present, or future infringements.
2. Seller hereby further authorizes Purchaser to request the applicable governmental offices to record Purchaser as the assignee and owner of the Marks and hereby consents to such recordation.
3. This Trademark Assignment is subject to the terms and conditions of the Purchase Agreement and shall not be deemed to limit, enlarge, or extinguish any obligation of Seller or Purchaser under the Purchase Agreement, all of which obligations shall survive the delivery of this Trademark Assignment in accordance with the terms of the Purchase Agreement, and that to the extent there is any conflict between this Trademark Assignment and the terms and conditions of the Purchase Agreement, the Purchase Agreement shall control.
4. Seller will, without further consideration, comply with any reasonable request by Purchaser, at Purchaser’s expense, to undertake any acts or execute and deliver promptly any additional documents and other instruments as may be reasonably necessary or desirable in order to render effective the consummation of the transactions contemplated by this Assignment and the recordation of Purchaser as the assignee and owner of the Marks.
5. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

[SIGNATURE PAGE FOLLOWS]
