**NOW, THEREFORE**, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors (intending to be legally bound) hereby agree as follows:

1. Incorporation of Security Agreement. The Security Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Security Agreement.

2. Security Interest in Intellectual Property. To secure the complete satisfaction and payment and performance when due (or declared due in accordance with the

terms of the Credit Agreement) of the Secured Obligations, Grantors hereby confirm their grant of (and do hereby grant) to Agent a continuing security interest in and to any and all of Grantors' right, title and interest in and to all of the following now owned and existing and hereafter arising, created or acquired property, wherever located (collectively, the "**Intellectual Property**"):

This Confirmatory Grant may be signed in one or more counterparts, but all of such counterparts taken together shall constitute and be deemed to be one and the same instrument. A signature hereto sent or delivered by facsimile or other electronic transmission shall be as legally binding and enforceable as a signed original for all purposes.

9. Further Assurances. Grantors agree to promptly and duly execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Agent shall reasonably request from time to time in order to carry out the purpose of this Confirmatory Grant and agreements set forth herein. Grantors acknowledge that a copy of this Confirmatory Grant will be filed by Agent with the United States Patent and Trademark Office and, if applicable, the United States Copyright Office or Library of Congress, at the sole cost and expense of Grantors, and Grantors hereby authorize the Commissioner for Patents and Trademarks and Register of Copyrights and any other applicable governmental officials to record and register this Confirmatory Grant upon request of or direction by Agent or its agent.
