SCHEDULE B

TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this “Trademark Assignment”) is made and entered as of October 1, 2021 (the “Effective Date”), by and between Appriss Inc., a Delaware corporation (“Assignor”) and Appriss Insights, LLC, a Delaware limited liability company (“Assignee”). Capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Intellectual Property Assignment Agreement, dated as of the date hereof, by and between Assignor and Assignee (the “Agreement”). Each of Assignor and Assignee are referred to herein individually as a “Party” and collectively as the “Parties”.

RECITALS

WHEREAS, in accordance with the Agreement, Assignor desires to convey, assign and transfer to Assignee, and Assignee desires to accept such conveyance, assignment and transfer from Assignor, all of Assignor’s right, title and interest in, to and under all of the trademarks and service marks listed in **Attachment 1** hereto, together with all goodwill of any business associated therewith, and all applications, registrations and renewals in connection therewith (the “Assigned Trademarks”).

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants, agreements and conditions set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, each Party hereto hereby agrees as follows:

1. **Assignment.** Assignor hereby irrevocably conveys, transfers and assigns to Assignee, and Assignee hereby accepts, any and all right, title and interest of Assignor in and to the: (a) the Assigned Trademarks, including all goodwill associated therewith; (b) all income, royalties, profits, and damages related thereto; (c) the right, if any, to register, prosecute, maintain and defend the Assigned Trademarks before any public or private agency or registrar; (d) the right to bring all claims, actions, litigation and proceedings (“collectively, “Actions”), defend against Actions, sue for and otherwise recover damages or other compensation for past, present or future infringements, dilutions, misappropriations, or other violations of the Assigned Trademarks, including the right to sue and obtain equitable relief in respect of such infringements, dilutions, misappropriations and other violations; and (e) the right to fully and entirely stand in the place of Assignor in all matters related thereto (all of the foregoing, collectively, the “Assigned Rights”).

2. **Assistance.** Assignor agrees that at any time and from time to time, without further consideration, it will promptly execute and deliver all further instruments and documents and take all further actions reasonably requested by Assignee to perfect, protect, secure or more fully evidence Assignee’s and its successors or assignees’ respective right, title and interest in, to and under the Assigned Rights, or to enable Assignee or such successors or assignees (or any agent or designee of any of the foregoing) to exercise or enforce any of their respective rights hereunder, including reasonable cooperation and assistance in the prosecution or defense of any

Action that may arise in connection with any of the rights assigned hereby and filing or recordation of this Trademark Assignment with any intellectual property office or registrar, or any other forms of assignment to record evidence of the transfer of the Assigned Rights in any jurisdiction anywhere throughout the world.

3. **Entire Agreement.** This Trademark Assignment and the Agreement (including the documents executed pursuant to the Agreement and the schedules and exhibits to the Agreement) contain the entire agreement of the Parties with regard to the subject matter hereof; provided, however, that this provision is not intended to abrogate any other written agreement between the Parties executed with or after this Trademark Assignment.

4. **Governing Law; Jurisdiction; Venue.** This Trademark Assignment shall be governed by and construed and enforced in accordance with the internal Laws of the State of Delaware, without reference to its choice of law rules. Except as otherwise expressly set forth herein, the sole and exclusive forum for any and all actions or proceedings arising out of, or related to or in connection with this Trademark Assignment shall be the federal or state courts located in Wilmington, Delaware, which courts shall have exclusive jurisdiction. Each Party hereby waives, to the fullest extent possible under applicable law, any objection that it may have to the venue of any action or proceeding with respect to this Trademark Assignment in such courts, or that such action or proceeding brought in such courts was brought in an inconvenient court and agrees not to plead or claim the same. EACH PARTY HERETO HEREBY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS TRADEMARK ASSIGNMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

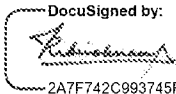

5. **Counterparts.** This Trademark Assignment may be executed in two (2) or more counterparts, each of which shall be deemed an original, and it shall not be necessary in making proof of this Trademark Assignment or the terms of this Trademark Assignment to produce or account for more than one (1) of such counterparts.

6. **Conflicts Between Agreements.** This Trademark Assignment is made pursuant to the Agreement and is subject to the terms and conditions thereof. If any conflicts exist between this Trademark Assignment and the Agreement, the Agreement shall control.

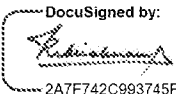

[Signature page follows]

IN WITNESS WHEREOF, the Parties have caused this Trademark Assignment to be duly executed as of the day and year first above written.
