TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is dated as of November 2, 2021 (the "Effective Date"), by and among:

(A) Yes (assignment for the benefit of creditors), LLC, a California limited liability company, in its sole and limited capacity as assignee for the benefit of creditors of Yes To, Inc. ("Assignor"); and

(B) Tropic Holdings LLC, a Delaware limited liability company ("Assignee").

Assignor and Assignee shall be jointly referred to as the "Parties" and each shall be referred to individually as a "Party".

WHEREAS, Assignor holds certain right, title and interest in and to the trademarks, service marks and trade names set forth on Exhibit A attached hereto and incorporated herein by reference (the "Assigned Marks");

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which Assignor transferred, sold and conveyed to Assignee all of Assignor's right, title and other interests in and to certain of the assets of Assignor; and

WHEREAS, the execution and delivery of this Assignment is a condition to the consummation of the transaction made pursuant to the Purchase Agreement.

NOW, THEREFORE, in consideration of the premises set forth above and in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignor does hereby sell, assign, convey and transfer unto Assignee and its successors, assigns and legal representatives, Assignor's entire right, title and interest in and throughout the world in and to the Assigned Marks (including any common law rights that may exist and are associated therewith), together with the goodwill of the business associated therewith, the same to be held and enjoyed by Assignee, or its successors or permitted assigns, including, without limitation, rights to sue or otherwise claim for past, present or future infringement or unauthorized use or disclosure thereof.

2. Assignor hereby acknowledges and agrees that from and after the date hereof, Assignee shall be the exclusive owner of all of Assignor's right, title and interest in and to the Assigned Marks.

3. Assignor hereby authorizes and requests any official throughout the world whose duty it is to register and record ownership in trademark registrations and applications, to record Assignee as the owner of any and all rights in the Assigned Marks.

4. As further set forth in the Purchase Agreement, Assignor shall, at Assignee's reasonable request, take such further action and execute such additional agreements and instruments as may be necessary to effect the assignment contemplated hereby.

5. This Assignment shall be governed by, and construed in accordance with, the laws of the State of California without giving effect to the conflict of laws rules thereof.

6. This Assignment may be executed electronically or otherwise (where permitted in an applicable jurisdiction) in any number of identical counterparts each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
