THIS INSTRUMENT IS SUBJECT TO THE TERMS OF A SUBORDINATION AND INTERCREDITOR AGREEMENT DATED AS OF DECEMBER 13, 2021 IN FAVOR OF CIBC BANK USA, AS THE ADMINISTRATIVE AGENT FOR A GROUP OF LENDERS, WHICH AGREEMENT (AS AMENDED IN ACCORDANCE WITH ITS TERMS) IS INCORPORATED HEREIN BY REFERENCE.

INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as the same may from time to time be amended, restated or otherwise modified, this “Agreement”) is made effective as of December 13, 2021 by SAFE-WAY GARAGE DOORS LLC, an Indiana limited liability company (the “Pledgor”), in favor of OXER MEZZANINE FUND II, L.P., a Delaware limited partnership (“Oxer”).

1. Recitals.

The Pledgor and CW SAFEWAY HOLDINGS, LLC, a Delaware limited liability company (“Holdings” and together with the Pledgor and their respective successors and assigns, collectively, the “Borrowers”), entered into that certain Senior Subordinated Note Purchase and Security Agreement, dated as of December 13, 2021 (as the same may from time to time be amended, restated or otherwise modified, the “Credit Agreement”).

The Pledgor understands that Oxer is willing to enter into the Credit Agreement and grant the financial accommodations provided for in the Credit Agreement only upon certain terms and conditions, one of which is that the Pledgor grant to Oxer a security interest in the Collateral, as hereinafter defined, and this Agreement is being executed and delivered in consideration of Oxer entering into the Credit Agreement and each financial accommodation granted to the Borrowers by Oxer, and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged.

2. Definitions. Except as specifically defined herein, (a) capitalized terms used herein that are defined in the Credit Agreement shall have their respective meanings ascribed to them in the Credit Agreement, and (b) unless otherwise defined in the Credit Agreement, terms that are defined in the U.C.C. are used herein as so defined. As used in this Agreement, the following terms shall have the following meanings:

“Assignment” means an Assignment in the form of Exhibit A attached hereto.

“Collateral” means, collectively, all of the Pledgor’s existing and future right, title and interest in, to and under (a) industrial designs, patents, patent registrations, patent applications, trademarks, trademark registrations, trademark applications, service marks, trade names, and copyright registrations, and other intellectual property or registrations, whether federal, state or foreign, including, but not limited to, those federally registered patents, trademarks and copyrights listed on Schedule 1 hereto (as such Schedule 1 may from time to time be amended, supplemented or otherwise modified); (b) common law trademark rights, copyrights, rights in trade dress, publicity, works of authorship and other unregistered copyrightable material, improvements, and proprietary and confidential information, including, without limitation, personal, financial, and

other sensitive data, plans, know-how, processes, formulae, algorithms and inventions; (c) renewals, continuations, extensions, reissues and divisions of any of the foregoing; (d) rights to sue for past, present and future infringements or any other commercial tort claims relating to any of the foregoing; (e) licenses and all income, revenue and royalties with respect to any licenses, whether registered or unregistered and all other payments earned under contract rights relating to any of the foregoing; (f) all intangible intellectual or similar property of the Pledgor connected with and symbolized by any of the foregoing; (g) goodwill associated with any of the foregoing; (h) all payments under insurance, including the returned premium upon any cancellation of insurance (whether or not Oxer is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect to any of the foregoing; and (i) Proceeds of any of the foregoing.

“Event of Default” means an event or condition that constitutes an Event of Default, as defined in Section 5.1 hereof.

“USCO” means the United States Copyright Office in Washington, D.C.

“USPTO” means the United States Patent and Trademark Office in Alexandria, Virginia.

3. Grant of Security Interest. In consideration of and as security for the full and complete payment of all of the Secured Obligations, the Pledgor hereby agrees that Oxer shall at all times have, and hereby grants to Oxer, for the benefit of Oxer, a security interest in all of the Collateral, including (without limitation) all of the Pledgor’s future Collateral, irrespective of any lack of knowledge by Oxer of the creation or acquisition thereof. The Pledgor and Oxer hereby acknowledge and agree that, with respect to any ITU Application included within the Collateral, to the extent such an ITU Application would, under the Trademark Act, be deemed to be transferred in violation of 15 U.S.C. § 1060(a) as a result of the security interest granted herein, or otherwise invalidated or made unenforceable as a result of the execution or performance of this Agreement, no security interest shall be deemed to have been granted in such ITU Application (notwithstanding the provisions of this Agreement or any other Loan Document) until such time as the circumstances that would give rise to such violation, invalidation or unenforceability no longer exist.

4. Representations and Warranties. The Pledgor hereby represents and warrants to Oxer as follows:

4.1. The Pledgor owns or has the right to use all of the Collateral and, whether the same are registered or unregistered, no such Collateral has been adjudged invalid or unenforceable.

4.2. The Collateral is valid and enforceable.

4.3. The Pledgor has no knowledge of any material claim that the use of any of the Collateral does or may violate the rights of any Person.

4.4. Except for liens expressly permitted pursuant to Section 5.9 of the Credit Agreement, the Pledgor is the sole and exclusive owner of the entire and unencumbered right, title

and interest in and to the Collateral, free and clear of any liens, charges and encumbrances, including, without limitation, pledges, assignments, licenses, registered user agreements and covenants by the Pledgor not to sue third Persons.

4.5. The Pledgor has full power, authority and legal right to pledge the Collateral and enter into this Agreement and perform its terms.

4.6. The Pledgor has used, and shall continue to use, for the duration of this Agreement, proper statutory notice in connection with its use of the Collateral, except where the failure to do so will not have a Material Adverse Effect.

5. Events of Default and Remedies.

5.1. Oxer shall at all times have the rights and remedies of a secured party under the U.C.C. and the Ohio Revised Code as in effect from time to time, in addition to the rights and remedies of a secured party provided elsewhere within this Agreement, any Note or any other Loan Document, or otherwise provided in law or equity.

5.2. The Pledgor expressly acknowledges that Oxer shall record this Agreement with the USCO and the USPTO, as appropriate. Contemporaneously herewith, the Pledgor shall execute and deliver to Oxer the Assignment, which Assignment shall have no force and effect and shall be held by Oxer in escrow until the occurrence of an Event of Default; provided, that, anything herein to the contrary notwithstanding, the security interest and collateral assignment granted herein shall be effective as of the date of this Agreement. Upon the occurrence and during the continuance of an Event of Default, the Assignment shall, at the option of Oxer, immediately take effect upon certification of such fact by an authorized officer of Oxer in the form reflected on the face of the Assignment and Oxer may, in its sole discretion, record the Assignment with the USCO and the USPTO, as appropriate, or in any appropriate office in any foreign jurisdiction in which such patent, trademark, copyright or other intellectual property interest is registered, or under whose laws such property interest has been granted.

5.3. If an Event of Default shall occur and be continuing, the Pledgor irrevocably authorizes and empowers Oxer to terminate the Pledgor's use of the Collateral and to exercise such rights and remedies as allowed by law. Without limiting the generality of the foregoing, after any delivery or taking of possession of the Collateral, or any thereof, pursuant to this Agreement, then, with or without resort to the Pledgor or any other Person or property, all of which the Pledgor hereby waives, and upon such terms and in such manner as Oxer may deem advisable, Oxer, in its sole discretion, may sell, assign, transfer and deliver any of the Collateral, together with the associated goodwill, or any interest that the Pledgor may have therein, at any time, or from time to time. No prior notice need be given to the Pledgor or to any other Person in the case of any sale of Collateral that Oxer determines to be declining speedily in value or that is customarily sold in any recognized market, but in any other case Oxer shall give the Pledgor no fewer than ten (10) days prior notice of either the time and place of any public sale of the Collateral or of the time after which any private sale or other intended disposition thereof is to be made. The Pledgor waives advertisement of any such sale and (except to the extent specifically required by the preceding sentence) waives notice of any kind in respect of any such sale. At any such public sale, Oxer may

purchase the Collateral, or any part thereof, free from any right of redemption, all of which rights the Pledgor hereby waives and releases. After deducting all Related Expenses, and after paying all claims, if any, secured by liens having precedence over this Agreement, Oxer may apply the net proceeds of each such sale to or toward the payment of the Secured Obligations, whether or not then due, in such order and by such division as Oxer, in its sole discretion, may deem advisable. Any excess, to the extent permitted by law, shall be paid to the Pledgor, and the obligors on the Secured Obligations shall remain liable for any deficiency.

6. Maintaining Collateral; Attorneys' Fees, Costs and Expenses. The Pledgor shall have the obligation and duty to perform all acts necessary to maintain or preserve the Collateral, provided that the Pledgor shall not be obligated to maintain any Collateral in the event the Pledgor determines, in the reasonable business judgment of the Pledgor, that the maintenance of such Collateral is no longer necessary in the Pledgor's business. Any and all fees, costs and expenses, of whatever kind or nature, including, without limitation, the attorneys' fees and legal expenses incurred by Oxer in connection with the amendment and enforcement of this Agreement, all renewals, required affidavits and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining or preserving the Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Collateral, shall be borne and paid by the Pledgor, upon demand by Oxer and, until so paid, shall be added to the principal amount of the Secured Obligations.

7. The Pledgor's Obligation to Prosecute. Except as otherwise agreed to Oxer in writing, the Pledgor shall have the duty to prosecute diligently any patent, trademark, service mark or copyright application pending as of the date of this Agreement or thereafter until the complete and full payment of all of the Secured Obligations, to file and prosecute opposition and cancellation proceedings and to do any and all acts that are necessary or desirable to preserve and maintain all rights in the Collateral, including, but not limited to, payment of any maintenance fees. Any expenses incurred in connection with the Collateral shall be borne by the Pledgor. The Pledgor shall not abandon any Collateral without the prior written consent of Oxer, unless such abandonment will not have a Material Adverse Effect or such abandonment is in connection with the abandonment of a product or product line.

8. Administrative Agent's Right to Enforce. The Pledgor shall have the right to bring any opposition proceeding, cancellation proceeding or lawsuit in its own name to enforce or protect the Collateral. Oxer shall have the right, but shall have no obligation, to join in any such action. The Pledgor shall promptly, upon demand, reimburse and indemnify Oxer for all damages, reasonable costs and expenses, including attorneys' fees, incurred by Oxer in connection with the provisions of this Section 11, in the event Oxer elects to join in any such action commenced by the Pledgor.

9. Power of Attorney. The Pledgor hereby authorizes and empowers Oxer to make, constitute and appoint any officer or agent as Oxer may select, in its exclusive discretion, as the Pledgor's true and lawful attorney-in-fact, with the power to endorse, after the occurrence and during the continuance of an Event of Default, the Pledgor's name on all applications, documents,

papers and instruments necessary for the Administrative Agent, on behalf of Oxer, to use the Collateral, or to grant or issue any exclusive or nonexclusive license under the Collateral to any third party, or necessary for the Administrative Agent, on behalf of Oxer, to assign, pledge, convey or otherwise transfer title in or dispose of the Collateral, together with associated goodwill, to any Person or Persons. The Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable for the life of this Agreement.

10. Administrative Agent's Right to Perform Obligations. If the Pledgor fails to comply with any of its obligations under this Agreement, Oxer may, but is not obligated to, upon giving reasonable notice to the Pledgor, do so in the Pledgor's name or in the name of Oxer, but at the Pledgor's expense, and the Pledgor hereby agrees to reimburse Oxer, upon request, in full for all expenses, including reasonable attorneys' fees, incurred by Oxer in protecting, defending and maintaining the Collateral.

11. Additional Documents. The Pledgor shall, upon written request of Oxer, enter into such additional documents or instruments as may be required by Oxer in order to effectuate, evidence or perfect the interest of Oxer in the Collateral, as evidenced by this Agreement.

12. New Collateral. If, before the Secured Obligations shall have been irrevocably paid in full and the Commitment terminated, the Pledgor shall obtain rights to any new Collateral, the provisions of this Agreement hereby shall automatically apply thereto as if the same were identified on Schedule 1 as of the date hereof and the Pledgor shall give Oxer prompt written notice thereof as provided in the Credit Agreement.

13. Modifications for New Collateral. The Pledgor hereby authorizes Oxer to modify this Agreement by amending Schedule 1 hereto to include any future Collateral as contemplated by Sections 1 and 15 hereof and, at Oxer's request, the Pledgor shall execute any documents or instruments required by Oxer in order to modify this Agreement as provided by this Section 16, provided that any such modification to Schedule 1 shall be effective without the signature of the Pledgor.

14. Notice. All notices, requests, demands and other communications provided for hereunder shall be in writing and, if to the Pledgor, or, mailed or delivered to it, addressed to Oxer such Person at its address specified on the signature pages of the Credit Agreement or, as to each party, at such other address as shall be designated by such party in a written notice to each of the other parties. All notices, statements, requests, demands and other communications provided for hereunder shall be deemed to be given or made when delivered (if received during a Business Day, such Business Day, otherwise the following Business Day) or two Business Days after being deposited in the mails with postage prepaid by registered or certified mail, addressed as aforesaid, or sent by facsimile or electronic communication, in each case with telephonic confirmation of receipt. All notices from the Pledgor to Oxer pursuant to any of the provisions hereof shall not be effective until received by Oxer, as the case may be.

15. No Waiver or Course of Dealing. No course of dealing between the Pledgor and Oxer, nor any failure to exercise, nor any delay in exercising, on the part of Oxer, any right, power or privilege hereunder or under any of the Loan Documents shall operate as a waiver thereof; nor

shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

16. Remedies Cumulative. Each right, power or privilege specified or referred to in this Agreement is in addition to any other rights, powers and privileges that Oxer may have or acquire by operation of law, by other contract or otherwise. Each right, power or privilege may be exercised by Oxer either independently or concurrently with other rights, powers and privileges and as often and in such order as Oxer may deem expedient. All of the rights and remedies of Oxer with respect to the Collateral, whether established hereby or by the Loan Documents, or by any other agreements or by law shall be cumulative and may be executed singularly or concurrently.

17. Severability. The provisions of this Agreement are severable, and, if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

18. Modifications. This Agreement may be amended or modified only by a writing signed by the Pledgor and Oxer. No waiver or consent granted Oxer in respect of this Agreement shall be binding upon Oxer unless specifically granted in writing, which writing shall be strictly construed. In the event that any provision of this Agreement is deemed to be inconsistent with any provision of any other document, other than the Credit Agreement, the provisions of the Credit Agreement shall control.

19. Assignment and Successors. This Agreement shall not be assigned by the Pledgor without the prior written consent of Oxer. This Agreement shall be binding upon the Pledgor and the successors and permitted assigns of the Pledgor, and shall inure to the benefit of and be enforceable and exercisable by Oxer on behalf of and for the benefit of Oxer and its successors and permitted assigns. Any attempted assignment or transfer without the prior written consent of Oxer shall be null and void.

20. Termination. At such time as the Secured Obligations shall have been irrevocably paid in full, the Commitment terminated, and the Credit Agreement terminated and not replaced by any other credit facility with Oxer, the Pledgor shall have the right to terminate this Agreement. Upon written request of the Pledgor, Oxer shall promptly execute and deliver to the Pledgor all deeds, assignments, and other instruments as may be necessary or proper to release Oxer's security interest in the Collateral, and the Pledgor will indemnify Oxer in all respects for all costs incurred by Oxer in connection with such termination.

21. Entire Agreement. This Agreement integrates all of the terms and conditions with respect to the Collateral and supersedes all oral representations and negotiations and prior writings, if any, with respect to the subject matter hereof.

22. Headings; Execution. The headings and subheadings used herein are for convenience of reference only and shall be ignored in interpreting the provisions of this

Agreement. This Agreement may be executed by facsimile or other electronic signature, which, when so executed and delivered, shall be deemed to be an original.

23. Governing Law; Submission to Jurisdiction. The provisions of this Agreement and the respective rights and duties of the Pledgor and Oxer hereunder shall be governed by and construed in accordance with Ohio law, without regard to principles of conflicts of laws that would result in the application of the law of any other state. The Pledgor hereby irrevocably submits to the non-exclusive jurisdiction of any Ohio state or federal court sitting in Cleveland, Ohio, over any action or proceeding arising out of or relating to this Agreement, any Loan Document or any Related Writing, and the Pledgor hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such Ohio state or federal court. The Pledgor hereby irrevocably waives, to the fullest extent permitted by law, any objection it may now or hereafter have to the laying of venue in any such action or proceeding in any such court as well as any right it may now or hereafter have to remove such action or proceeding, once commenced, to another court on the grounds of FORUM NON CONVENIENS or otherwise. The Pledgor agrees that a final, nonappealable judgment in any such action or proceeding in any state or federal court in the State of Ohio shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.
