## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of December 20, 2021, is made by PEI Licensing, LLC (the “**Grantor**”) in favor of Sound Point Agency LLC, as administrative agent and collateral agent (in such capacity, together with its successors and permitted assigns, “**Agent**”) for the benefit of itself and Lenders (as defined in the Loan Agreement (defined below)).

### WITNESSETH:

WHEREAS, the Grantors, Agent and the lenders party thereto from time to time (collectively, “**Lenders**” and, together with Agent, “**Secured Parties**”), have entered into that certain Loan and Security Agreement, dated as of December 20, 2021 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Loan Agreement**”);

WHEREAS, as a condition to the extension of credit by Lenders to the Grantors under the Loan Agreement, the Grantor has agreed, pursuant to such Loan Agreement, to grant to Agent (for the benefit of itself and Lenders) a security interest in, and lien on, all of the Trademark Collateral (defined below); and

WHEREAS, pursuant to the Loan Agreement, the Grantor is required to execute and deliver this Trademark Security Agreement for purposes of recording such security interest with the United States Patent and Trademark Office;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

**Section 1. Defined Terms.** Capitalized terms used herein without definition are used as defined in the Loan Agreement.

**Section 2. Grant of Security Interest in Trademark Collateral.** The Grantor, as collateral security for the prompt and complete payment and performance of the Obligations of such Grantor, hereby grants to Agent, for itself and the benefit of Secured Parties, a continuing security interest in, a lien upon, and a right of set off against, and hereby assigns to Agent, for itself and the benefit of Secured Parties, all of its right, title and interest in, to and under the following Collateral of such Grantor (the “**Trademark Collateral**”): all of its Trademarks listed on Schedule 1 hereto.

Notwithstanding the foregoing, no grant of any security interest, lien, right of set off or other right shall be deemed granted hereunder on or in any intent-to-use trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with the United States Patent and Trademark Office with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to- use trademark application under applicable federal law).

**Section 3. Loan Agreement.** The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Loan Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement. In the event of a conflict between the provisions of this Trademark Security Agreement and the Loan Agreement, the Loan Agreement shall control.

**Section 4. Termination.** This Trademark Security Agreement shall terminate and the lien on and security interest in the Trademark Collateral granted herein shall be released upon the payment and

performance of the Obligations. Upon the termination of this Trademark Security Agreement, Agent shall at Grantors' cost and expense execute all documents, make all filings, take all other actions reasonably requested by the Grantors to evidence and record the release of the lien on and security interests in the Trademark Collateral granted herein.

**Section 5. Counterparts.** This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

**Section 6. Governing Law.** This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.
