**ASSIGNMENT OF INTELLECTUAL PROPERTY AND DOMAIN NAME TRANSFER AGREEMENT**

This ASSIGNMENT OF INTELLECTUAL PROPERTY AND DOMAIN NAME TRANSFER AGREEMENT (this "IP Assignment Agreement"), dated as of October 31, 2021, is made by and between Educational Testing Service, a not-for profit corporation organized and existing under the Education Law of the State of New York ("Assignor") and PSI Services LLC, a Delaware limited liability company ("Assignee" and, together with the Assignor, each a "Party" and collectively, the "Parties").

**RECITALS**

WHEREAS, Assignee and Assignor are parties to that certain Asset Purchase Agreement, dated as of September 1, 2021 (as amended, restated, or otherwise modified from time to time, the "Purchase Agreement"), pursuant to which Assignor has agreed to convey, transfer, and assign to Assignee, among other assets, certain Intellectual Property of Assignor, and Assignor and Assignee have agreed to execute and deliver this IP Assignment Agreement for recording with Governmental Authorities, including, but not limited to, the United States Patent and Trademark Office;

WHEREAS, this IP Assignment Agreement is being executed and delivered by the Parties in connection with the consummation of the transactions contemplated by the Purchase Agreement; and

NOW, THEREFORE, in consideration of mutual covenants and agreements set forth below and in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be bound hereby, the Parties hereto agree as follows:

**AGREEMENT**

1. Definitions. Capitalized terms used but not otherwise defined in this IP Assignment Agreement shall have the respective meanings ascribed to such terms in the Purchase Agreement.

2. Assignment. Effective as of the Closing Date, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in, to, and under the Transferred Intellectual Property, including the following, free and clear of all Liens:

(a) the trademark registrations and applications set forth on Schedule 1 hereto, together with the goodwill connected with the use thereof and symbolized thereby, and all issuances, extensions and renewals thereof (collectively, the "Trademarks");

(b) the copyrights and copyright registrations and applications set forth on Schedule 2 hereto, and all issuances, extensions and renewals thereof (the "Copyrights"); and

(c) the internet domain names set forth on Schedule 3 hereto, (the "Domain Names").

3. Recording and Further Actions. Assignor authorizes the Commissioner for Patents, the Commissioner for Trademarks, the Register of Copyrights, and any other governmental officials or the applicable domain name registrar to record and register this IP Assignment Agreement upon request by Assignee. Assignor hereby notifies and instructs the applicable domain name registrar to transfer the Domain Names to Assignee.

4. Terms of the Purchase Agreement. This IP Assignment Agreement is intended to evidence the consummation of the transactions contemplated by the Purchase Agreement, and is executed pursuant to, in furtherance of and is subject to, the terms and conditions of the Purchase Agreement in all respects. This IP Assignment Agreement shall not replace, substitute, expand, diminish or extinguish any obligation or provision of the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall control.

5. Governing Law. This IP Assignment Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than those of the State of Delaware.

6. Amendment and Modification. This IP Assignment Agreement may only be amended, modified, or supplemented by an agreement in writing signed by each Party.

7. Counterparts; Electronic Signature. This IP Assignment Agreement may be executed and delivered by each Party in separate counterparts (including electronic portable document format (.PDF) or similar format), each of which when so executed and delivered will be deemed an original and all of which taken together will constitute one and the same agreement. This IP Assignment Agreement will become effective when, and only when, each Party delivers a counterpart hereof to each other Party. This IP Assignment Agreement may be executed by .PDF signature, and a .PDF signature will constitute an original signature for all purposes.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be executed by their respective duly authorized officers or managers, as of the date first written above.

ASSIGNOR:

**Educational Testing Service**
