TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is entered into and made effective as of December 21, 2021, by and between Exelon Corporation, a Pennsylvania corporation (the “Assignor”), and Constellation NewEnergy, Inc., a Delaware corporation, located at 750 East Pratt Street, Baltimore, Maryland 21202 (the “Assignee”).

WHEREAS, Assignor is the owner of all right, title and interest in and to U.S. Trademark Application Serial No. 88/270,546 for the word mark **EV-X** for:

“Providing a website featuring consumer product information about electric cars and discounts on the purchase of electric cars; Providing a website featuring recommendations of service providers to consumers for commercial purposes in the field of electric vehicle charging equipment and electric vehicle equipment; Promoting the benefits of electric vehicles to consumers by means of providing an online portfolio via a website; Promoting public awareness of electric vehicles and charging station technologies; Compilation of information into a website database in the field of consumer product information about electric vehicle technologies; Conducting public events and demonstrations featuring electric vehicles for commercial or advertising purposes”

including, without limitation, and the rights arising under it, and all worldwide common law rights associated with the mark, together with the goodwill of the business connected with and symbolized by the mark (the “EV-X Mark”);

WHEREAS, Assignee shall be the successor to the portion of Assignor’s ongoing and existing business connected with and symbolized by the EV-X Mark and to which the EV-X Mark pertains, and desires to acquire all right, title, and interest in and to the EV-X Mark;

WHEREAS, Assignor is also the owner of all right, title and interest in and to U.S. Registration No. 5,824,764 for the design mark **EZEV** for:

“Promoting the benefits of electric vehicles to consumers; promoting public awareness of electric vehicles and charging station technologies; compilation of information into website database in the field of electric vehicle technologies; Providing a website featuring information about electric cars and discounts on the purchase of electric cars; Providing a website featuring recommendations for electric vehicle charging equipment and electric vehicle equipment, namely, charging stations for charging electric vehicles”

including, without limitation, and the rights arising under it, and all worldwide common law rights associated with the mark, together with the goodwill of the business connected with and

symbolized by the mark (the “EZEV Mark”);

WHEREAS, Assignor wishes to permanently assign and transfer to Assignee, and Assignee desires to acquire, all right, title and interest in and to the EV-X and EZEV Marks.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, Assignor does hereby grant, assign and transfer to Assignee, its successors, assigns and legal representatives, the entire right, title and interest in and to the EV-X and EZEV Marks, together with the goodwill of the business symbolized by the EV-X and EZEV Marks.

Assignor also assigns unto Assignee all claims for relief by reason of any past infringements of the EV-X and EZEV Marks, with the right to sue and collect damages for Assignee’s own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives.
