WHEREAS, Assignee is desirous of acquiring from Assignor all rights, title and interest in and to the Trademarks owned by the Assignor.

NOW THEREFORE, for good and valuable consideration, including the premises and covenants set forth herein, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

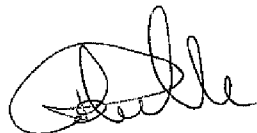

1. Assignment. Assignor hereby conveys, assigns and transfers to Assignee, and Assignee hereby acquires and accepts from Assignor, all of Assignor's rights, title and interest in, to and under the Trademarks, including any and all goodwill symbolized by the Trademarks, all rights therein provided by international conventions and treaties, all rights of priority and renewals, and all rights to sue and recover damages for past, present and future infringement, dilution, misappropriation, unlawful imitation or other violation thereof or conflict therewith.

2. Further Assurances.

(a) Assignor shall (i) execute and deliver at the request of the Assignee, all papers, instruments, and assignments, and perform any other reasonable acts the Assignee may require in order to (A) update the public records with the correct registered owner's name of any of the Trademarks and/or (B) vest all Assignors' rights, title, and interest in and to the Trademarks in the Assignee and (ii) provide reasonable evidence as necessary to document any of the foregoing.

(b) Assignor hereby irrevocably designates and appoints Assignee, and Assignee's duly authorized officers, agents and representatives, as its agents and attorneys-in-fact with full power of substitution to act for and on the behalf and instead of Assignors, to execute and file any such document or documents and to do all other lawfully permitted acts in order to vest in Assignee or record in the name of Assignee all of Assignors' right, title, and interest in and to the Trademarks with the same legal force and effect as if executed by Assignors.

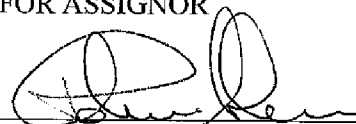

3. Due Authorization. Assignor hereby authorizes and requests the appropriate official of any applicable Governmental Authority to record this Assignment and issue any and all registrations from any and all applications for registration for the Trademarks to and in the name of Assignee.

4. Counterparts. This Assignment may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement.
