GRANT OF SECURITY INTEREST IN TRADEMARK

This GRANT OF SECURITY INTEREST IN TRADEMARK, dated as of December 28, 2021 (this "Agreement"), is made by Cosmetic Design Group, LLC, a Delaware limited liability company (the "Grantor"), in favor of Antares Capital LP, as the Collateral Agent for the benefit of the Secured Parties.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, dated as of March 27, 2018 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified, replaced or refinanced from time to time, the "Credit Agreement"), by and among World Wide Packaging, LLC, a Delaware limited liability company (as successor in interest to PRGN Merger Sub, Inc., a Delaware corporation) (the "Borrower"), each Holdings Entity (as defined therein) from time to time party thereto, the Lenders from time to time parties thereto, Antares Capital LP, as the Administrative Agent and the Collateral Agent, and Antares Holdings LP, as a Lender and the Swingline Lender, the Lenders and Letter of Credit Issuers have severally agreed to make their respective loans and extensions of credit to each Holdings Entity, the Borrower and the Subsidiaries upon the terms and subject to the conditions set forth therein.

WHEREAS, in connection with the Credit Agreement, each Holdings Entity, the Borrower and any Subsidiaries of the Borrower that are or become a party thereto, have executed and delivered the Security Agreement, dated as of March 27, 2018 in favor of the Collateral Agent (as amended, restated, amended and restated, supplemented or otherwise modified, replaced or refinanced from time to time, the "Security Agreement").

WHEREAS, pursuant to the Security Agreement, each Grantor has pledged and granted to the Collateral Agent for the benefit of the Collateral Agent and the Secured Parties a lien on and security interest in all of its right, title and interest in, to and under all Intellectual Property, including the Trademarks, that are not Excluded Property.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders, the Swingline Lender and the Letter of Credit Issuer to make their respective Extensions of Credit to each Holdings Entity, the Borrower and the Subsidiaries, as applicable, and to induce one or more Cash Management Banks, Bank Product Providers or Hedge Banks to enter into Secured Cash Management Agreements, Secured Bank Product Agreements or Secured Hedge Agreements, respectively, with the Holdings Entities, the Borrower and/or the Restricted Subsidiaries, each Grantor hereby agrees with the Collateral Agent, for the benefit of the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein, or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement or the Security Agreement, as applicable.

2. Grant of Security Interest. Subject to the terms of the Security Agreement, the Grantor hereby grants a security interest in all of its right, title and interest in, to and under the Trademarks, to the extent owned by the Grantor, that are not Excluded Property (including, without limitation, those items listed on Schedule A hereto), including the goodwill associated with such Trademarks and the right to receive all Proceeds therefrom (collectively, the "Collateral"), to the Collateral Agent for the benefit of the Secured Parties as collateral security for payment and performance when due of the Obligations; provided that, applications in the United States Patent and Trademark Office

to register trademarks or service marks on the basis of Grantor's "intent to use" such trademarks or service marks will not be deemed to be Collateral unless and until an amendment to allege use or a statement of use has been filed and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

3. Purpose. This Agreement has been executed and delivered by Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office.

4. Termination or Release. Upon the termination of the Security Agreement or release of a Grantor in accordance with Section 6.4 thereof, the Collateral Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the Security Interest in the Trademarks of such Grantor under this Grant of Security Interest in Trademarks.

5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

6. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to be originals and shall constitute one and the same instrument.

7. Governing Law. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

[Signature pages follow]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers or representatives thereunto duly authorized as of the day and year first above written.
