GRANT OF  
SECURITY INTEREST IN TRADEMARK

This GRANT OF SECURITY INTEREST IN TRADEMARK, dated as of December 30, 2021 (this “Agreement”), is made by InnovaCare Technologies, LLC, a Delaware limited liability company and Orlando Family Physicians LLC, a Florida limited liability company (the “Grantors”), in favor of BSP Agency, LLC, as the Collateral Agent for the benefit of the Secured Parties.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, dated as of December 30, 2021 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified, replaced or refinanced from time to time, the “Credit Agreement”), among the Grantors, the Borrower, BPCE OceanDrive Intermediate, Inc., a Delaware corporation, the Lenders from time to time party thereto, BSP Agency, LLC, as the Administrative Agent and the Collateral Agent, JPMorgan Chase Bank, N.A., as the Revolving Loan Administrative Agent and the Swingline Lender, and the other parties from time to time party thereto, the Lender and Letter of Credit Issuer have severally agreed to make their respective loans and extensions of credit to Holdings, the Borrower and the Subsidiaries upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, Holdings, the Borrower and any Subsidiaries of the Borrower that are or become a party thereto as Grantors, have executed and delivered the Security Agreement, dated as of December 30, 2021 in favor of the Collateral Agent (as amended, restated, amended and restated, supplemented or otherwise modified, replaced or refinanced from time to time, the “Security Agreement”), or a supplement thereto;

WHEREAS, pursuant to the Security Agreement, each Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a lien on and security interest in all of its right, title and interest in, to and under all Intellectual Property, including the Trademarks, that are not Excluded Property; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders and the Letter of Credit Issuers to make their respective Extensions of Credit to Holdings, the Borrower and the Subsidiaries, as applicable, and to induce one or more Cash Management Banks, Bank Product Providers or Hedge Banks to enter into Secured Cash Management Agreements, Secured Bank Product Agreements or Secured Hedge Agreements, respectively, with the Borrower and/or the Restricted Subsidiaries, each Grantor hereby agrees with the Collateral Agent, for the benefit of the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein, or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Security Agreement, or if not defined therein, in the Credit Agreement.

2. Grant of Security Interest. Subject to the terms of the Security Agreement, the Grantors hereby grant to the Collateral Agent, for the benefit of the Secured Parties, a lien on and security interest in all of their right, title and interest in, to and under the following now owned or at any time hereafter acquired by the Grantors, or in which the Grantors now have or at any time in the future may acquire any right, title or interest, in each case, that are not Excluded Property (collectively, the “Trademark Collateral”), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations:

(i) all trademarks, service marks, trade names, brand names, domain names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source or business identifiers and designs, now existing or hereafter adopted or acquired, all registrations and recordings thereof (if any), and all registrations and applications filed in connection therewith, including registrations and applications with the United States Patent and Trademark Office, including those U.S. registered trademarks and applications owned by the IP Grantor and listed on Schedule A hereto, and all extensions or renewals thereof, and (ii) all goodwill associated therewith or symbolized thereby, (iii) all rights to sue at law or in equity for any past, present, and future infringement, dilution, or other impairment or violation thereof, including the right to receive all Proceeds (as defined in the Security Agreement) therefrom, and (iv) all other rights, priorities and privileges related thereto ("Trademarks"); provided that, applications filed in the United States Patent and Trademark Office to register Trademarks on the basis of Grantor's "intent to use" such Trademarks will not be deemed to be Collateral unless and until an amendment to allege use or a statement of use has been filed by the United States Patent and Trademark Office, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such "intent to use" Trademark application or any registration issuing therefrom under federal law.

3. Purpose. This Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office.

4. Termination or Release. Upon the termination of the Security Agreement or release of a Grantor in accordance with Section 6.4 thereof, the Collateral Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the Security Interest in the Trademarks of such Grantor under this Grant of Security Interest in Trademarks.

5. Acknowledgment. The Grantors do hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

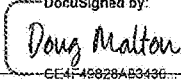

6. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to be originals and shall constitute one and the same instrument. The words "execution," "signed," "signature," and words of like import in this Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

7. Governing Law. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

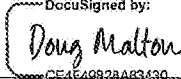

[Signature pages follow]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers or representatives thereunto duly authorized as of the day and year first above written.
