## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of December 30, 2021 (this "Agreement"), is made by the signatory hereto indicated as a "Grantor" ("Grantor") in favor of **WELLS FARGO BANK, NATIONAL ASSOCIATION**, a national banking association, in its capacity as agent for the Secured Parties (in such capacity, together with its successors and assigns in such capacity, "Agent"). Capitalized terms used but not defined herein shall have the meanings given to them in the Security Agreement (as defined below).

WHEREAS, Grantor is the owner of certain trademarks and trademark applications as indicated in the attached Schedule of Trademarks (collectively, the "Trademarks"), and the registrations and applications associated therewith;

WHEREAS, Grantor is party to that certain Pledge and Security Agreement dated as of November 18, 2016 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), in which each Grantor thereunder has granted certain interests in favor of the Agent for the benefit of the Secured Parties; and

WHEREAS, pursuant to the Security Agreement, the Grantor has agreed with the Agent and the Secured Parties to execute this Agreement;

NOW, THEREFORE, in consideration of the foregoing and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to the Agent for the benefit of the Secured Parties, to the extent provided in the Security Agreement (the terms and conditions of which are hereby incorporated herein), a security interest in all of its right, title and interest in, to and under all Trademarks, together, in each case, with the product lines and goodwill of the business connected with the use of, and symbolized by, each such trademark, and including all renewals of registrations thereof, all rights to recover for all past, present and future infringements thereof and all rights to sue therefor, and all rights corresponding thereto throughout the world as collateral security for the payment in full when due (whether at stated maturity, by acceleration or otherwise) of all the Secured Obligations. Notwithstanding the foregoing, in the event of any conflict between this Agreement and the Security Agreement, the Security Agreement shall control. For the avoidance of doubt, notwithstanding anything to the contrary herein, no security interest is granted hereunder, and the Collateral does not include, any intent-to-use United States trademark application for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or (d), respectively, or, if filed, has not been deemed in conformance with 15 U.S.C. § 1051 (a) or (c), in each case, only to the extent the grant of security interest in such intent-to-use trademark is in violation of 15 U.S.C. § 1060 and only unless and until a "Statement of Use" or "Amendment to Allege Use" is filed, has been deemed in conformance with 15 U.S.C. § 1051 (a) and (c) or examined and accepted, respectively, by the United States Patent and Trademark Office.

[Remainder of Page Intentionally Left Blank]

This Trademark Security Agreement is executed as of the date first written above.

**LASKO OPERATION HOLDINGS, LLC**, a  
Delaware limited liability company
