OP \$40.00 4387780

INTELLECTUAL PROPERTY ASSIGNMENT

WHEREAS, HAWKER EQUIPMENT SOLUTIONS, LLC, a Minnesota limited liability company (hereinafter the "Assignor") with an address at 619 East 5th Street, Litchfield, Minnesota, 55355 is the owner of all rights, titles and interests in the patents and patent applications listed on Schedule A attached hereto (collectively referred to herein as the "Patents");

WHEREAS, Assignor is also the owner of all rights, title, and interest in the trademark registration for "Hawker," Registration No. 4,387,780 with the United States Patent and Trademark Office (hereinafter the "Trademark");

AND, WHEREAS, FORUM US, INC., a Delaware Corporation with an address at 10344 Sam Houston Park Drive, Houston, Texas 77064 (hereinafter the "Assignee"), is acquiring all rights to the Trademark and the Patents, including all patents and patent applications corresponding thereto, pursuant to an Asset Purchase Agreement dated December 20, 2021 ("the APA");

NOW, THEREFORE, in view of the consideration provided in the APA, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign and transfer unto said Assignee, its successors, assigns and legal representatives, Assignor's entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to the Patents, including all United States Patents and applications listed on Schedule A, any other United States patent applications corresponding to or claiming priority thereto or therefrom, including any provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications, based in whole or in part on said Patents, any foreign applications, including international and regional applications, based in whole or in part on any of the aforesaid Patents, in and to any and all letters patent, including extensions thereof, of any country which have been or may be granted on any of the aforesaid Patents or any part(s) thereof, and in and to any right of recovery for prior damages due to infringement or misappropriation of the rights under the Patents;

AND, Assignor hereby conveys, transfers, assigns, delivers, and contributes to Assignee all of Assignor's right, title, and interest throughout the world of whatever kind in any jurisdiction in and to the Trademark, together with (1) the goodwill of the business relating to the goods with which the Trademark is used and for which the Trademark is registered; (2) all income, royalties, and damages hereafter due or payable to Assignor with respect to the Trademark, including without limitation, damages, and payments for past or future infringements, dilution, and misappropriations of the Trademark; and (3) all rights to sue for past, present and future infringements, dilutions, or misappropriations of the Trademark, the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

AND, Assignor hereby agrees for itself and for each of Assignor's successors, executors, administrators and/or legal representatives to execute, without further consideration, any further documents and instruments which may be reasonably necessary, lawful and proper, that may be in the prosecution of said Patents or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, or that may be necessary to secure to Assignee its interest and title in and to said Patents or Trademark or any part(s) thereof, and in and to said several patents that may issue from said Patents or any of them;

AND, Assignee authorizes the Commissioner for Trademarks and the Commissioner for Patents of the United States and other empowered officials of the United States Patent and Trademark Office and

the Canadian Intellectual Property Office, to record the transfer of the Patents and Trademark set forth above to Assignee as assignee of Assignor's entire right, title and interest therein. Assignee shall take such actions, at its sole cost and expense, as may be reasonably necessary to promptly record this Assignment with the United States Patent and Trademark Office or other applicable administrative offices.

AND, Assignor does hereby authorize and request the United States Commissioner for Patents and the United States Patent and Trademark Office to issue any and all Patents which may be granted upon said Patents or any part(s) thereof when granted, to Assignee.

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.

IN WITNESS WHEREOF, Assignor and Assignee hereunto set their hands and seals.
