TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this “**Trademark Security Agreement**”) is entered into as of January 5, 2022 among CCS MEDICAL, INC., a Delaware corporation (the “**Grantor**”) and MIDCAP FUNDING IV TRUST, in its capacity as administrative agent for the Lenders (together with its successors and assigns in such capacity, “**Agent**”).

WITNESSETH:

WHEREAS, pursuant to that certain Credit and Security Agreement, dated as of the date hereof (as amended, restated, amended and restated, replaced, supplemented, or otherwise modified from time to time, including all annexes, exhibits and schedules thereto, the “**Credit Agreement**”), by and among CCS Medical Holdings, Inc., a Delaware corporation (“**Parent**”), its Subsidiaries (including Grantor) listed as Borrowers on Annex A attached hereto and made a part hereof (each individually, a “**Borrower**”, and collectively, the “**Borrowers**”), the financial institutions from time to time party thereto, as Lenders (the “**Lenders**”), and MIDCAP FUNDING IV TRUST, a Delaware statutory trust, as a Lender and Agent, Lenders have agreed to make the Revolving Loans (as defined therein) to the Borrowers from time to time pursuant to the terms and subject to the conditions set forth therein; and

WHEREAS, pursuant to the Credit Agreement, the Grantor is required to execute and deliver to Agent, for the benefit of the Lenders, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. The Grantor hereby grants to Agent, for the benefit of the Lenders, a valid and continuing first priority security interest in and Lien (subject to Permitted Liens) on all of the Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Trademark Collateral**”):

(a) all of the Grantor’s Trademark registrations and Trademark applications, including, without limitation, those referred to on Schedule 1 hereto;

(b) all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other General Intangibles with respect to the foregoing;

(c) all reissues, continuations, continuations in part, substitutes, extensions, modifications or renewals of and improvements on the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(e) all products and proceeds of the foregoing, including any claim by the Grantor against third parties for past, present or future (i) infringement, misappropriation or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark.

Notwithstanding anything to the contrary herein, the Trademark Collateral shall not extend to any intent-to-use United States trademark applications.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secure the payment and performance of all the Obligations of the Grantor and the other Credit Parties, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by the Grantor, or any of the other Credit Parties, to Agent, the Lenders, or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving the Grantor or any other Credit Party.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with and in furtherance of the security interests and Liens granted to Agent, for the benefit of the Lenders, pursuant to the Credit Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein, and to the extent a conflict exists, the terms of the Credit Agreement control.

5. AUTHORIZATION TO SUPPLEMENT. If the Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. If the Grantor shall file an application for the registration of any trademark with the United States Patent and Trademark Office, then the Grantor shall report such filing to Agent no later than the date the Compliance Certificate with respect to the month in which such filing occurs is required to be delivered pursuant to Section 4.1 of the Credit Agreement. Without limiting the Grantor's obligations under this Section 5, the Grantor hereby authorizes Agent unilaterally (but Agent shall be under no obligation) to modify this Trademark Security Agreement by amending Schedule 1 to include any such new trademark rights of the Grantor, which become part of the Trademark Collateral under the Credit Agreement. Notwithstanding the foregoing, no delay or failure to so modify this Trademark Security Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from Agent's valid and continuing security interest in all Collateral (including without limitation the Trademark Collateral), whether or not listed on Schedule 1.

6. SUCCESSORS IN INTEREST. This Trademark Security Agreement shall be binding upon the Grantor, its successors and assigns and shall insure, together with the rights and remedies of Agent and the Lenders hereunder, to the benefit of Agent and the Lenders and their successors and assigns.

7. COUNTERPARTS; INTEGRATION. This Trademark Security Agreement (or any amendments, waivers, consents, or supplements hereto) may be executed in any number of counterparts, each of which shall be deemed an original with the same effect as if the signatures thereto and hereto were upon the same instrument. This Trademark Security Agreement and the other Financing Documents constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed signature page of this Trademark Security Agreement (or any amendments, waivers, consents, or supplements hereto) by facsimile transmission or electronic transmission (including in "pdf" or "tif") shall be as effective as delivery of a manually executed counterpart hereof or thereof.

8. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Financing Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement or any other Financing Document refer to this Trademark Security Agreement or such other Financing Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Financing Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Financing Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Financing Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash in accordance with the terms of the Credit Agreement (or cash collateralization in accordance with the terms thereof) of all Obligations other than unasserted Contingent Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns.

9. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF MARYLAND, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES.

10. TERMINATION; RELEASE. Upon the occurrence of the Termination Date, security interests granted herein shall automatically terminate with respect to all

Trademark Collateral without further action by any party. Upon the occurrence of the Termination Date, the Agent shall, at the Grantor's sole expense, execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the Trademark Collateral and any other such documents as the Grantor shall reasonably request to evidence such termination.

11. MISCELLANEOUS. The terms and provisions of Article 12 of the Credit Agreement are hereby incorporated herein by reference and shall apply to this Trademark Security Agreement, *mutatis mutandis*, as if fully set forth herein, and the parties hereto agree to such terms.

12. Financing Document. This Trademark Security Agreement constitutes a "Financing Document" under and as defined in the Credit Agreement and is subject to the terms and provisions therein regarding Financing Documents.

[Signature pages follow]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
