Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 1. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all of such Grantor's right, title and interest in, to and under (a) the Trademarks listed on Schedule I attached hereto, (b) all rights to sue or otherwise recover for any past, present and future infringement, dilution, or other violation thereof, (c) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages, proceeds of suit and other payments now or hereafter due and/or payable with respect thereto, and all Supporting Obligations, collateral security and guarantees given by any Person with respect to any of the foregoing and (d) all other rights of any kind accruing thereunder or pertaining thereto throughout the world (collectively, the "Trademark Collateral"). Any execution and delivery of documents by the Collateral Agent pursuant to this Section 2 shall be without recourse or warranty by the Collateral Agent or any other Secured Party.

The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.
