Capitalized terms not defined in this Assignment shall have the meaning assigned to them in the Purchase Agreement.

WITNESSETH

WHEREAS, Assignors and Assignee have entered into that certain Asset Purchase Agreement, dated as of November 30, 2021, (as it may be amended, supplemented or otherwise modified from time to time in accordance with the terms thereof, the “Purchase Agreement”), by and among Assignors, Assignee, Deichmann SE, a *societas Europaea* organized under the Laws of Germany, Rack Room Shoes, Inc., a corporation organized under the Laws of North Carolina, James Khezrie, a natural Person (“James Khezrie”), Berta Khezrie, a natural Person and James Khezrie as Sellers’ Representative pursuant to which Assignee has acquired all of each Assignor’s right, title and interest in and to the Purchased Intellectual Property Rights, which includes the trademarks, trade dress, domain names and software set forth in Schedule A hereto .

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors and Assignee each hereby agree as follows:

1. Assignment. Each Assignor hereby forever sells, assigns, transfers, conveys and delivers to the Assignee and its successors and assigns, and the Assignee hereby accepts from each such Assignor, free and clear of all Liens, all of such Assignor’s right, title and interest in, to and under the Purchased Intellectual Property, including the Purchased Intellectual Property listed on Schedule A, and including (i) all rights to sue for past, present and future infringement, misappropriation or other violation with respect thereto and all goodwill associated with any Purchased Intellectual Property, and (ii) all (A) documentation or other tangible embodiments that comprise, embody, disclose or describe any of the foregoing, including engineering drawings, technical documentation, databases, spreadsheets, business records, inventors’ notebooks, invention disclosures, digital files, software code embodied in media or firmware and (B) files related to the prosecution or enforcement of any of the foregoing, including such patent, trademark or copyright prosecution or enforcement files in the custody of any Assignor’s outside legal counsel, and all attorney client privileges and work product immunities associated with such files and such prosecution and enforcement activities.

2. Assignor’s Waiver. Each Assignor and Assignee acknowledge and agree that as of the date of this Assignment all Purchased Intellectual Property is owned solely and exclusively by Assignee to the maximum extent permitted by Law. If any Assignor has any rights in or to any Purchased Intellectual Property that cannot, under applicable Law, be assigned to the Assignee or owned by the Assignee, such Assignor hereby unconditionally and irrevocably waives the enforcement of such rights and all claims and causes of action of any kind against Assignee and their designees and successors and assigns with respect to such rights.

3. Assignor’s Acknowledgement of Assignee’s Ownership. Each Assignor acknowledges and agrees that Assignee is and shall remain the sole and exclusive owner of all Purchased Intellectual Property and that Assignee shall have the sole and exclusive right to obtain, maintain, hold, register and enforce such Purchased Intellectual Property. Each Assignor hereby agrees to prepare, execute and deliver, and to cause to be prepared, executed and delivered, to Assignee, such deeds, bills of sale, instruments of assumption, assignments, instruments of recordation and other instruments, and take such other actions, in addition to
